

MESSAGE

From: Principal's Desk

"To do anything in this world worth doing, we must not stand back shivering and thinking of the cold and danger, but jump in and scramble through as well as we can"."

The above has been comprehensively proved by each and every member of Bal Bharati (ND) Parivaar for presenting such a grand show.

- It goes without saying that a programme of this magnitude requires a high degree of thoughtful planning, coordination and execution with precision and I am indeed proud to say that the entire school rose to the occasion and worked as one motivated team. And the result of it all was the flood of appreciation and praise that has poured in from all quarters, be it the Chief Guest, dignitaries of CES or the Principals attending the function.
- The rendition of the folk tunes of the various states were soul stirring. 'Symphony' the School Orchestra stole the hearts of not only the audiences but of our Chief Guest and other worthy dignitaries. My heartiest congratulations to Mr Tulsi and other members of the department.
- The rendition by the school choir 'Life Despite God' a first attempt by the school students to sing English numbers was mellifluous, still we need to work upon further, but the humongous effort it required to train children that too numbering 140 students is highly commendable on part of Ms Sumana and Mr P Pallavi.
- The invocation dance 'Akshayguna Allegory' of the Primary School was a stellar show! The perfect foot tapping of the students with elan 'we are no less' kept Mr Anil Swarup and Mr Sanjay Jain, our two guests spell bound. Keep up the good work, Nisha!!!
- The Mont Item 'Athak Prayas' received appreciation from one and all and especially the parent body of the Pre Primary wing. The back ground music prepared by Mr Pallavi and Mr Tulsi with Primary school students giving the voice overs was a tough job and for this the Pre Primary teachers deserve a very sincere appreciation.
- The crowning glory this time round was the 'Mughal-e-Azam' which elevated the standard of creativity skills to a new height. It was indeed an excellent presentation and the credit for success of Mughal-e-Azam goes to setting up of a perfect stage. The stage setting reminded one of Sanjay Lila Bhansali's. I must thank my team of teachers and other members of Admin Staff who stayed overnight in the school to erect the magnificent stage. My heartiest congratulations to the Hindi Dept., Mr Swapan, Ms Kavita, Mr Pallavi, Mr Tulsi and especially Mr Yuvraj for the success of Mughal-e-Azam.
- The reason why Annual Day programmes of our school have over the years curved a niche for itself and captured the imagination of the parent audience is the creative dimensions of our thought process which invariably builds the item structure on certain theme / message with perfect digital backdrops by the IT Dept. of the school.
- The Emcees performed their task with confidence and elan.
- I will be failing in my duty, if I don't mention the very hard and timely work put in by the prop team, reception committee, the stage decorators (Art Dept. & Student Team) and other teams in their specified areas of responsibility, which contributed significantly in the grand success of the programme. All VIPs appreciated the warmth shown by the hospitality team.
- I congratulate you all and express my heartfelt gratitude to the Convenor, the Item Co-ordinators, Teachers-in-Charge, other Officers and staff for making the Annual Day programme such a grand success.
- A special mention for VPL and HMs who have become proficient at dividing up tasks and ensured in creating enthusiasm, took initiatives to made things happen.
- I am indeed proud to have got an opportunity to be working all these years with hugely talented, committed and proud staff.

In continuation with the trademark expression of appreciation,

BRAVO!!! ZULU!!! KEEP IT UP!!!
