REPORT ON VISIT TO KNMA

"ART IS AS NATURAL AS SUNSHINE AND AS VITAL AS NOURISHMENT"

A visit to the **Kiran Nadar Museum of Arts** was organized for the students of **Class V** on 25th August, 2017. As part of our endeavour to enhance the skills and provide hands on experiences in art and craft, 61 students exhibiting consistent and praiseworthy performance in art and craft were selected. The students were accompanied by 2 staff members who were briefed by the curator about 'Shantiniketan', the Art University started by the Nobel Laureate Rabindra Nath Tagore. The students then observed a display of exhibits showing different stages in the development of statues. The Curator at the Museum encouraged students to get engaged in MOSAIC ART by showing various artifacts prepared by students who had attended the similar workshops earlier. The students were then shown a power point presentation and guided to create their own MOSAIC ART. Excitement filled the air and the students made beautiful figures and patterns filled them with coloured tile pieces to create beautiful patterns. Best art work has been displayed in the art room.

Enjoying the interactive session

Expression through mosaic art

Patterns are beautiful !

Eager to show case their creativity
