MESSAGE

From : Principal's Desk

"To do anything in this world worth doing, we must not stand back shivering and thinking of the cold and danger, but jump in and scramble through as well as we can".

The above has been comprehensively proved by each and every member of Bal Bharati (ND) Parivaar for presenting such a grand show.

- It goes without saying that a programme of this magnitude requires a high degree of thoughtful planning, coordination and execution with precision but I am deeply saddened to say that some of the teachers who have joined the school in these last one or two years did not turn out to be professionals and did not rise to the occasion and work as one motivated team. There is no doubt there has been a flood of appreciation and praise that has poured in from all quarters, be it the Chief Guest, dignitaries of CES or the Principals attending the function.
- The rendition of the various ragas was soul stirring. School Orchestra stole the hearts of not only the audiences but of our Chief Guest and other worthy dignitaries. My heartiest congratulations to Mr Tulsi and other members of the department. We need to work more with our Sitar strings.
- The rendition by the school choir 'Oh Rivers' by the school students was mellifluous. Some of us missed our heartbeats and the costumes for the choir further lifted the aura. Congratulations, Mr Pallavi and Ms Sumana.
- The invocation dance of the Primary School was a stellar show ! The perfect foot tapping of the students with elan 'we are no less' kept Mr Anurag Tripathi and Dr Jitendra Nagpal, our two guests spell bound. Keep up the good work, Ms Nisha and Ms Vinaya Pujari. This item was the crowning glory of the Annual Day.
- The Mont Item received appreciation from one and all and especially the parent body of the Pre Primary wing. The back ground music prepared by Mr Pallavi and Mr Tulsi with Primary school students giving the voice overs, with assistance from Pre Primary teachers deserve a very sincere appreciation. The item stretched beyond 15 minutes, but the flying away of Betal was a show stealer. I have received a few e-mails from the Mont. Parents of 2019-20, who have appreciated the item from the core of their heart.
- The Navrasas, was an excellent presentation showcasing the theatrical as well as dancing skills of our students. The teachers handling 'Navrasas' worked beautifully in their areas, but not in unison as a team, which made the item stretch beyond the allocated time of 40 minutes. My congratulations to English, Hindi and Performing Arts Dept for an intriguing presentation.
- I would like to thank in person the Stage Erection team who under the leadership of Mr Yuvraj, TGT (Art) were awake for 02 nights to give us a magnificent stage, which has become our pride in these last 4-5 years.
- The reason why Annual Day programmes of our school have over the years carved a niche for itself and captured the imagination of the parent audience is the creative dimensions of our thought process, which invariably builds the item structure on certain theme / message with perfect digital backdrops by the **IT Dept. of the School**. The credit team did a perfect summing up. They will not be rated as professionals, because handing over the work and disappear from the work station is not the school climate at BBPS (ND).
- The Emcees performed their task with confidence and elan. In future, for the best category awards, the school shall invite nominations from students, teachers as well as parents.
- I will be failing in my duty, if I don't mention the very hard and timely work put in by the prop team, reception committee, the stage decorators (Art Dept. & Student Team) and other teams in their specified areas of responsibility, which contributed significantly in the grand success of the programme. All VIPs appreciated the warmth shown by the hospitality team.
- I congratulate you all and express my heartfelt gratitude to the Convenor, the Item Co-ordinators, Teachers-in-Charge, other Officers and staff for making the Annual Day programme such a grand success.
- A special mention for VPL and HMs who have become proficient at dividing up tasks and ensured in creating enthusiasm, took initiatives to made things happen.
- I am indeed proud to have got an opportunity to be working as a leader of this hugely talented, committed and proud staff.
