Celebration of 23rd International Day for Preservation of Ozone

(FROM THE DESK OF ENVIRONMENT CLUB)

Report

The school celebrated the 23rd International Day for Preservation of Ozone enthusiastically on Friday, 1/9/17 by a hosting number of events for classes VI-XII. The class VI students participated in presenting products that are using CFC's and HFC's, VII in jingle writing, VIII in wall paper designing, IX in drafting a letter to refrigeration or air conditioning company and X in Mascot making and XI in writing a newspaper article on preservation of ozone layer and XII in pencil sketching competition. A combined display board was made to educate the students to develop understanding of how important is to preserve the ozone layer to save our planet from harmful radiations coming through ozone hole. For bringing in more awareness about one the biggest environmental issues being faced by the world today, a movie was screened on the importance of **ozone, Our life saviour** in each class. The winners will be awarded with certificate of appreciation and a prize.

Thinking Minds

Creative Hands On Activities- Sensitizing students with an Environmental issue-O₃ depletion

Exhibition of CFC free products and Saviour of Ozone -Mascot Making competition
