## SUMMER FUN WORK PRE –PRIMARY II

### “Summer is Here, Let’s give a Big Cheer!”

Summer vacations are synonymous with fun, frolic, getting up late in the morning, playing for longer hours with friends, going out for picnics, exploring new places and watching fun filled shows. There are a lot of creative and fun filled activities to engage the students in an interesting and meaningful manner. Here is a ‘**Summer Vacation Activity Treasure Box**’ just for our lovable tiny tots.

- Encourage your child to cultivate a reading habit by becoming role models.
- ‘A Healthy Mind lives in a Healthy Body’-Encourage your child to do simple exercises daily and have a balanced diet.
- Communication skills play a pivotal role in grooming the overall personality. Have quality conversations with your child, preferably in English.
- Plan a Holiday or short Visit along with the family. Talk to your child about the mode of transport, weather, important places etc. as these conversations help the children develop curiosity and life skills.
- Help your child practice the Question/Answers provided in the Questionnaire uploaded on the school website. Link- Academics-Homework/Assignments.

We have planned out some fun-filled activities for the tiny-tots. Help your ward undertake the following activities under your guidance.

**THEME – FLOWERS & SEEDS**  
**LANGUAGE AND LITERARY ACTIVITIES**

- Practice writing alphabet a-z with correct formation in a separate practice notebook.
- Learn three words with each letter of the alphabet to enhance your vocabulary and present it on a chart paper. (The pictures are to be drawn and coloured by the child.)
- Learn the given sentences on 'Myself'.
- Practice joining the letters and read three letter words. For eg. cat, rat, bag, tap, jam etc.
- Complete the activity sheets attached with the Holidays Homework.

**Little Brown Seeds**

Little brown seeds so small and round,  
Are sleeping quietly underground.  
Down come the raindrops  
sprinkle, sprinkle, sprinkle.  
Out comes the rainbow,  
twinkle, twinkle, twinkle.  
Little brown seeds way down below,  
Up through the earth they grow, grow, grow.  
Little green leaves come one by one.  
They hold up their heads and look at the sun.

## Maths and Manipulation

- Practice oral counting 1-50.
- Practice writing of numbers 1-20. (Pay attention to the correct formation of numbers)
- Learn the names of the seven days in a week and names of the months in a year.
- Use a calendar to read the date and day during the summer vacations.
- Read the numbers on the clock with the help of your parents.
- Learn the given number rhyme with actions and expressions.

### Daffodils

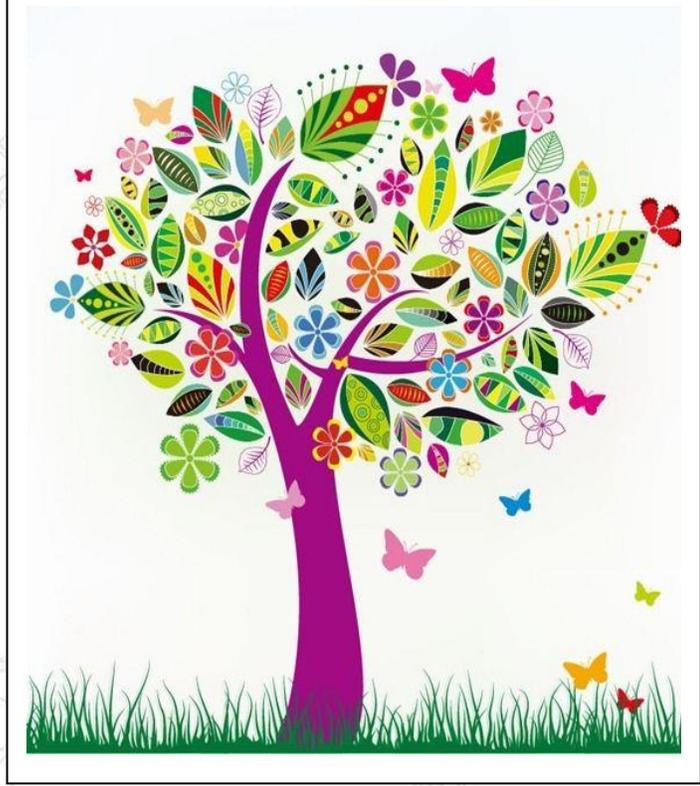

One little daffodil had nothing to do  
Up popped another one and then there were two.  
Two little daffodils smiling at a bee  
Another popped up and then there were three  
Three little daffodils were growing by a door  
Up popped another one and then there were four.  
Four little daffodils happy to be alive  
Up popped another one and then there were five.  
Five little daffodils wearing golden crowns  
They danced in the breeze wearing green satin gowns!
