## RIVER RALLY PROGRAMME REPORT

Under the aegis of environment club, the green ambassadors from classes VI – VIII participated enthusiastically in the formation of human chain in front of the school on 1/9/17, Friday from 8a.m to 9a.m in support of River rally campaign. Students with placards and banners lined up to disseminate the information to students, parents and the public to save the lifelines-rivers of our country by giving a missed call at 8000980009. The objective was to sensitize the mass with this issue. Further Assembly module was screened in classes to sensitize them with the motivational speech of the founder of this campaign, the Sadh guru and to provide them with data & facts of our dyeing rivers. The movie was screened along with a power point presentation to sensitize students. Students took pledge to be a part of this campaign to save rivers.
