"Choose a job you love, and you will never have to work a day in your life"
- Confucius.

In today's academic scenario when so many options are on platter, the students are in a dilemma to choose their right career. The much awaited Career Fair & Symposium was organised by the Career Counseling Cell of Bal Bharati Public School, Noida in the school premises on 14 December, 2018. The aim of the Fair was to provide the students with guided support, inspire and to equip them with necessary information to make informed decisions about their careers.

The counselling session began with the lighting of the lamp by Principal Ms Asha Prabhakar and the stalwarts of the Career counselling universities. In the inaugural session, career mentors from universities like Bennett, Amity, Jamboree, ISBF enlightened the students about the career paths. Counsellors from Career Launcher, NIIT University, Mangalmai University, United Group of Institutions highlighted on the importance of preparing oneself to live in a globalized world. New careers like Financial Engineering and its prospects were also referred to. Students were guided to explore the various opportunities in the arena of liberal studies by O P Jindal, KREA and Ashoka universities, which is a blend of Science, Commerce and Humanities and emerge out with successful career profiles. Special emphasis was given on nurturing creative, critical and decision making skills while choosing a career by Indian Institute of Art & Design, Trendz and Pearl Academy. Above all, Principal, Asha Prabhakar also guided the students and parents to explore the new variety of options, especially those befitting the new generation.

Summing up, The Career Fair offered a plethora of courses in diversified academic arenas by prestigious Universities and Colleges which are tailored for students from different financial backgrounds. The Career Fair was enthusiastically attended by the students and parents and was an excellent opportunity to network with reputable Institutes who cleared their doubts and fears about their future careers.
