## **DEPARTMENT: PRE-PRIMARY** **REPORT ON VISIT TO DOLL MUSEUM**

An educational trip which was also a part of the ISA activity, was planned for Pre Primary II students to Shankar's Doll Museum, Delhi on 29.04.2017, to create awareness amongst the students about dolls from across the globe. The museum has a collection of dolls from almost 85 countries adding to its international character.

All children were very excited about the visit. 12 teachers and 6 sahayikas accompanied 166 children to ensure a safe journey and enhanced learning experience.

The students thoroughly enjoyed the display of 6,500 exhibits across the globe and came back excited.

As a part of the follow up activity of the visit, the children did colouring in the activity sheets of the dolls allotted to their sections. The same were later displayed on the Display Boards creatively decorated by the students.
