

Workshop Feedback Form

Workshop/Seminar Title : CUPA Mathematics Analysis
Workshop/Seminar Date : July 29 , 2017
Venue : BBPS,Pitampura , New Delhi
Attended by : Ms. Ruchika Khanna , Ms. Anita Singh
Resource Person : Prof. Dharam Prakash
Organizer : Teacher's Training Centre, BBPS, Pitampura

1. Content of the Workshop:

The workshop was targeted towards the discussion and analysis of the CPT question paper.

A general feedback was provided on how students have performed and what was the average achievement of the class. The common mistakes made by the students were discussed. Remedies to overcome these mistakes were discussed by comparing the terminal question paper with the CPT paper.

2. Learning outcomes (Knowledge and Information) from the workshop/Seminar

- Student's should be given more practice on open ended and visual based questions which would enhance their mental ability.
- Parental support should be encouraged.
- Remedial classes should be organized for weak students.

3. Which topics or aspects of the workshop/Seminar did you find most interesting or useful and can be applied to the classroom teaching?

The whole workshop was enriching and interesting. Open discussion amongst the Mathematics teachers from various branches of the school was very fruitful and resulted in discussion about the day to day problems faced by the teachers in classroom.

4. How will you implement the knowledge & techniques acquired to your subject?

- Using research-based strategic learning and teaching practices.
- By incorporating learning strategies into content coursework.
- Challenging the students in a positive way
- Practice practical classroom strategies and explore classroom issues that impede student success and learn how to deal with them.

5. Comments and suggestions (How do you think the workshop/Seminar could have been made more effective?)

It was an enlightening session that provided us with deep insight into a child's psychology, learning outcomes and assessment.

6. Was the advance briefing about the workshop/Seminar appropriate?

Yes, the advance briefing was completely appropriate.
