“ESPRIT 2017”

A PRE PRIMARY INTER SCHOOL FIESTA

(8TH SEPTEMBER 2017, Friday)

Esprit'17, the Pre-Primary Inter School Fiesta was held on 8th September 2017. The theme of the festival was 'Sakshat Bharat'. The huge success of the event is credited to the overwhelming and active participation of the neighbouring schools of Noida and the sister schools.

In the event “My Mascot My Pride”, students created a mascot of A3 size related to the theme, Sakshat Bharat using variety of material viz. different types of papers, glitters, beads, sequins etc. The Mascots portrayed animal characters, which were given names and had human aspects, i.e. sense organs, standing posture, clothes.

There was also a Paper Bag Designing competition, titled “Bag Of Knowledge” in which participants had to decorate paper bags using waste material like buttons, jute, crepe papers, straw, wool, shells, pencil shavings, cloth, CDs etc.

In the event ‘Literary Revolution’, performances of an Advertisement or a self-created Jingle, based on the theme were presented in English language. The costume and the catchy jingle made the presentation a spell binding experience.

Expressive singers presented the melodious foottapping number “Saksharta Gaan” and left all mesmerized at the beautiful synchronization.

“Padhega India, Badhega India”, a well-organized competition of “Nukkad Natak” by the little ones was a feast to the audience. Children presented their dramatic talents and a passion for the literacy campaign.

The event thus concluded on a positive note , creating ripples of literacy wave with a promise to spread literacy amongst one and all.
