

Dear Mrs. Asha Prabhakar

A silver jubilee of an Institution is very important and purposeful milestone, wherein we have an opportunity to look back and have a sense of pride and satisfaction on the distance traveled and also to have our vision and action plan for the journey that lies ahead.

The completion of 25 years is indeed a great event in the life of educational Institution. Bal Bharati Noida, since its foundation in 1992 has earned a great reputation and considerable appreciation for imparting the basics of academic excellence, a sense of self-discipline and above all laying the basic foundation of value based, activity oriented education.

The motto of the school **ह्रस्वा नयतु नः प्रज्ञाम्** is reflected in its working and trust that education is a process of self-discovery, awakening one's potential to create knowledge and also instill the desire to excel in various walks of life.

The silver jubilee issue of Sagarika is a presentation and display of the school's curriculum in actual practice and indicating towards the future challenges and opportunities which young children are going to have.

I take this opportunity to congratulate the management, President CES Mr. L.R. Channa, dynamic Chairman, Mr. Nikhil Channa, a visionary Principal, who with the co-operation of the staff, parents and students has been able to bring out Sagarika and plan for yearlong activities. In recent past the infrastructure and facilities too have been greatly improved to provide an atmosphere conducive to learning.

All through efforts have been made to prepare young men and women who are spiritually oriented, intellectually informed, physically well developed, emotionally balance and socially concerned citizens.

We recall with fortitude the efforts of all concerned, specially founder Chairman, former Principals who over the past years have put in their soul and heart in shaping the school what it is today.

I wish you every success in your future endeavors.

Regards

Suraj Prakash

Secretary, Manager.
