REPORT

VISIT TO SUBWAY RESTAURANT

Bal Bharati Public School has always believed in providing a holistic learning experience to its students and especially when the students are studying Home Sc. the opportunities and options increase multifold. In a bid to provide the students with some hands-on experience and a first-hand account of managing a restaurant or a food outlet, a trip to 'Subway', an American food franchise, was organized on 16th October 2017 for the Home Sc. students of class 11th and 12th.

Brimming with enthusiasm, the students reached the venue. They were first briefed on the importance of healthy-eating and they came to know about how 'Subway' promoted this. Then, they were shown how important cleanliness was to the franchise and they definitely ensure the same. They were also shown the various equipments used to clean and cut the

Briefing by the owner of the subway

vegetables but weren't able to try them out due to security concerns.

Then came the most interesting segment where the students were first demonstrated the process of bread-making and then some eager volunteers amongst the students tried their hands at it.

Demonstration of cutting of vegetables

Students preparing their own 'subs'

The students could also order their 'subs' and get a 15% discount. Also, they could make their own 'subs' with the employees guiding them.

All in all, it was one enjoyable trip that completed all its objectives and was a source of both fun and learning.
