

## **PRE PRIMARY DEPARTMENT** **KIDZ BAZAAR**

*"When one is young, one must see things, gather experience, ideas; enlarge the mind."  
– Joseph Conrad*

Dear Parent,

In continuation of our endeavour to expose our students to different real life practical experiences through Project Based Learning, the Pre Primary wing of the school is organizing a 'Spectacular Demonstration cum Presentation' '**From Produce to the Product....The Journey**' on **06 Oct, 2018**, Saturday, in the school premises.

The school firmly believes that children must be engaged in learning by doing in order to ensure thorough understanding of concepts. Therefore, we strive to construct a scientific and creative attitude amongst our tiny tots in order to help them imbibe critical thinking, reasoning and logical thinking skills right from the beginning. The school has taken this initiative to provide innovative, creative and interactive hands on experience to the students through this exhibition wherein the students will walk through the journey of a finished product right from its origin.

The different products and their journey that will be showcased during the exhibition are as follows :-

- Pre Primary I (A, B & C) : Milk & Milk Products
- Pre Primary I (D, E & F) : Food from Fields to Table
- Pre Primary II (A, B & C) : Tea from Tea Bagaan to Kettle
- Pre Primary II (D, E & F) : Cloth from Yarn to Fibre

The planning, preparation and execution work towards putting up the display will help the children gain an understanding of concepts from 'Abstract to Concrete'. Parents of Pre Primary & Primary School students are required to participate and help the children develop scientific temperament at a young age. It is desired that the parents talk about the Sun, Moon, Stars, Planets, Universe and the objects in their immediate environment often with them and put them into the habit of imagination and develop curiosity to ask questions – How?, Why? & When?

This is indeed a unique opportunity for your ward to participate and imbibe holistic learning for their overall growth and development.

Parents of Pre Primary I & II students are cordially invited to be a part of this exhibition from 10.00 am onwards. However, the students will report to school as per the normal school timings. Buses will ply as usual in the morning hours. Students will be dispersed along with their parents after the presentation.

Awaiting your presence...
