

CAREER FAIR & SYMPOSIUM

Dear Parents,

- Today, education arena is complex and trends are unpredictable. Students and parents must realize that education is not just about livelihood, but about making one's life. Students now have a bewildering array of career choices. They have to make an informed choice, based on what they like & identifying their personal strength, without any confusion and without yielding to pressures. Students must break out of the mould, think out of the box and most importantly education must inculcate the spirit of questioning.
- Keeping the above objective in mind, the school is organizing a Career Fair showcasing the most prominent universities of the country breakout sessions with university representatives, career talks by the best speaker in the industry on **14 Dec 18 (Friday)**, in the school **from 09.00 a.m. to 1.00 p.m.**
- We hereby invite the parents along with their wards studying in **Classes IX, X, XI and XII** to visit the Career Fair and gain information regarding various career choices for their children after +2. **It is mandatory for all students of Classes IX, X, XI & XII to be a part of the Career Fair.**
- It is mandated that parents may spare time from their routines to help their wards to make informed choices. The students and parents can attend 30-minute breakout sessions by different universities and institutes about some of the most sought after and upcoming courses being offered by them. (the schedule of the sessions will be circulated soon)

"Education is the passport to the future, for tomorrow belongs to those who prepare for it."
