Date : 10 Sep, 2018

HANDS ON TRAINING ON BIOTECHNOLOGY
CLASS-XII (BIOLOGY)

"An investment in Knowledge pays the best Interest"
- Benjamin Franklin

Dear Parent,

In continuation of our endeavour to provide experiential learning to our students for their overall development, the school is organising a hands on training session on Biotechnology by 'EduDAP' on **17 Sep, 2018** (Monday) in the Biology Lab.

The session will complement the Biotechnology chapters covered in the school curriculum and will go a long way in understanding the topics like DNA Extraction, Purification and Gel Electrophoresis etc. The exposure will generate enthusiasm among the students so as to explore career options related to Life Sciences and Bioinformatics. The cost of hands on Training in pairs is Rs.500/- Interested students are required to submit the amount to Ms Amita Ganjoo, HM (Sr) by 12 Sep, 2018 (Wednesday).

It is an optional workshop and NOT a mandatory one.
