Circular No.61/2018-19

Date : 17 Sep, 2018

## VISIT TO SEWAGE TREATMENT PLANT, NOIDA CLASS VII

**“CONSERVE WATER, CONSERVE LIFE”**

Dear Parents,

Water, is of utmost importance in our daily lives, hence, the need to improve and preserve its quality is growing continuously. The world's supply of fresh water is finite and is threatened by pollution. **Water conservation** and **water recycling** measures are the key elements for saving water resources.

In continuation of our endeavour to provide experiential learning to our students for their overall development, the school is organizing an educational trip for the students of Class VII to **The Sewage Treatment Plant**, Sector – 54, Noida on 28 September, 2018 during school hours. The visit not only aims at sensitizing the students about water conservation and recycling of water but also the processes involved in treatment of sewage water.

Students are required to fill in the consent form and submit to their respective Science teachers latest by 25 Sep, 2018.
