**LIFE IS FLEETING AND PERMANENCE IN THIS WORLD IS SOMETHING
WE ALL STRIVE FOR. THE BEST WAY TO ACHIEVE
PERMANENCE IS THROUGH PHILANTHROPY**

Dear Parents,

During the past years the Interact club of the school is enthusiastically engaged in the Community Outreach Programme.

We have been providing children of the Sorkha village with free care, counseling, tutoring, and mentoring. Many of these children come from broken or abusive homes and our school takes pride in being sensitive to the needs of these children and provide them a few moments of happiness and bonhomie.

This has been made possible only due to the selfless devotion of our students, some of whom have learnt to place others before self through the generous gifts and contributions we have received from all the students. This year we are specifically looking forward to raising a small fund for the construction of a small library in Sorkha village and purchasing books for the little kids.

We hope that each student of the school will voluntarily contribute Rs 50/- for the development of the much needed library at Sorkha village and be a part of the philanthropic activity. However, it is not a mandatory activity.
