

WWF FROG FEST VISIT
(FOR CLASS-VI ONLY)

Dear Parent,

It is our constant endeavor to expose school children to different experiences for their overall development. Under the aegis of Health & Wellness Club of the school, we have organized a visit for Class-VI students to WWF India, 172-B Lodi Estate, New Delhi, India on 03.02.2018 (Saturday) to Frog Fest, a unique event that celebrates frogs in Art and Nature.

It is an exhibition of Frog artifacts to raise awareness about frogs, their diversity and their value in nature and in culture. It is expected that the fun learning activities would inspire, enthuse and educate students so that they are motivated to adopt the cause of conservation as their own.

The festival will include a one-of-a-kind exhibition of over 300 frog artifacts from across the world, and will also allow the audience to experience the world of frogs with Frog calls and films, Frog Art and Craft, Frog Quiz and Games, Workshops and Talks by experts, Eco-trails and more. All these activities will be invaluable in saving frogs – our planet’s valuable ecosystem indicators.

Students are required to report in proper winter uniform at 08.20 a.m. to their respective class rooms. Dispersal time is 12.30 p.m. Parents are requested to pick and drop their wards as per specified time at school gate.
