**ROBOTICS CLUB**

Dear Parents,

- Robotics is a branch of technology that deals with design, construction and operation. Robotics Club of Bal Bharati Public School, Noida initiated in the year 2011 is a fraternity, not just a group, but a faction of such students whose passion dwell in beholding wires and metal beget, a machine that has a brain of its own.
- Under the aegis of ‘Scrapbotics’ a company of engineers, (the outsourced agency), Robotics Club is a year-long club in school that focuses on the basic aspects of ‘engineering’ encapsulating mechanics, electronics, assembling, embedded systems, hydraulics, aero-modeling, computer science and programming.
- Classes are designed to encourage activity-based learning and free play. The sessions will comprise of lectures and hands on sessions on robotics, electronics and hydraulics, etc. along with sessions on development of critical and creative thinking. Emphasis would be given to ‘learning by doing’ and ‘Trial & Error’ methodology which will further be supported by providing DIY kits, assignments, study resources, online engagement and conducting events.
- The classes will be held weekly in the school premises separately for the Primary School and Middle/Secondary School children.
- Interested students are required to pay the following amount through cheque in favour of “**Bal Bharati Public School, Noida**”, latest by 25 April, 2016. The club would resume its activities w.e.f. 01 May, 2016.. The monthwise break up of activities will be provided by the agency to the parents. Mr Pushpender Kumar, PGT (Physics) and Ms Rani Vaid, PGT (Physics) will be the incharges on behalf of the school.
