# TEACHER EXCHANGE PROGRAMME

Mrs Sarika Passi, I/C, Mont Wing visited St Joseph's Academy, Kilmarnock, Scotland, U K between 11 May 15 and 21 May 15 for a Teacher Exchange Programme under the aegis of British Council. The Teacher Exchange Programmes serve as a cultural learning experience for teachers and as a means of expanding and enriching an educator's pedagogical expertise. While at St. Joseph's Academy, she was involved in the various aspects of the functioning of the school, she observed the teaching session of almost all different subjects, i.e. Mathematics, English, Music, Spanish, French, Biology and religious education.

Mrs Sarika Passi

The following pointers have been implemented in the futuristic teaching pedagogies of Montessori Wing & Primary School post Mrs. Passi's visit to U.K.

- Making optimum use of objects found in the child's immediate environment as effective teaching aids.
- Providing the students with hands on learning experience.
- Integration of different subjects to facilitate learning.
- Stress upon oral interaction to foster effective communication skills.
- Using technology as an effective tool to provide practical experience.
- Teaching children to be independent and imparting life skills in order to handle real life situations with confidence.
- Laying emphasis on group activities to strengthen interpersonal skills.

# SCHOOL SAFETY NORMS

Number of guards increased on a round for the periphery of the School.

CCTV coverage of the entry and exit points has been strengthened by adding more cameras.

The dispersal system has been further streamlined and more teachers and support staff are deputed for the same.

Our disaster readiness has been reviewed and the disaster Management Team has taken cognizance of the situation. At present security arrangements of the school are as per the specifications outlined by the Govt. Agencies.

## A. LIFE SKILLS

Life skills activities are conducted in the class rooms where in the teachers act as felicitators, students are divided into groups for project presentations on socially relevant and sensitive topics like gender sensitivity, illiteracy, child abuse, disability etc. This helps not only in inculcating important values but also equipping students with the very essential life skills.

## B. CATCH THEM YOUNG

As an initiative to nurture gardening skills and to inculcate the importance of plants and trees in our life from the grass root level, the tiny tots of the Montessori Wing have started with the exercise of watering the plants using Water Sprinklers under the guidance of teachers. The students were shown the correct way of holding and handling the sprinkler. Each student is made to identify with one pot and is taught to monitor the growth and health of his / her plant.

- I would like to put on record my deep sense of appreciation for the staff who work selflessly and ensure that the school graph is on the rise. The constant guidance from the Management plays a major role.
- I would also like to express my heartfelt gratitude to the Chairman, Secretary and all erudite members of the Managing Committee for their unstinting support as we travel the path of excellence which though full of challenges is very fulfilling.
- I offer my sincere thanks for sparing your valuable time to attend the meeting this afternoon.

Thank  
you!
