#### **REPORT ON 'THE TRIP TO BBAC SOLAN, H.P.'**

#### **CLASSES- IV & V**

Students of classes IV & V, BBPS, Noida (74 girls in the first trip from September 19 to 22 and 69 boys in the second trip from September 22 to 25) had the opportunity to visit BBAC, Solan, H.P. Each trip was accompanied by 4 teachers, 2 sahayikas and a nurse.

Situated amidst lush green mountains and pristine environs at BBAC, the students had the best of time in terms of fun and learning experience. The days at Activity Centre started early. The activities comprised of trekking on challenging mountainous tracks, river crossing, light yoga and prayer, hand in hand with general observation of flora and fauna. The afternoons were spent in students attempting various adventurous tasks within BBAC campus, like- rope walking, wall climbing, Burma Bridge crossing, flying fox etc. The evenings were joyous as students freely shook legs to their favourite groovy dance beats.

The last evening was well-spent in group cooking outside kitchen on chulhas under the starlit sky as the students actively took part in the preparation of meal. Overall, it was an enthralling experience for the students as well as the teachers as they took home with them fond memories of the trip.
