

DEPARTMENT – PRE PRIMARY

BAL SABHA ACTIVITY: “POTTER’S WHEEL”-A DIYA MAKING ACTIVITY

Date: 09.10.17

Class: Pre Primary- I & II (All Sections)

Potter’s Wheel was a group activity in which a Potter was invited in the school premises to give a live demonstration of making clay pottery using Potter’s Wheel.

All the students from Pre Primary I and II attended the live demonstration session of Pottery making. Every student had a hand on experience of moulding clay on the Potter’s Wheel, with the help of the Potter.

After the diya dried up completely, children decorated them using decorative materials like mirrors,

Learning Outcomes:

- This activity helped children in experiencing the texture and feel of the clay.
- It also helped in enhancing creativity and awareness amongst children.
