BAL BHARATI PUBLIC SCHOOL, NOIDA
DEPARTMENT: PRE-PRIMARY
ISA/BAL SABHA ACTIVITY: "BLOOMS AND BLOSSOMS"
-COLOURING ACTIVITY

Date: 20.09.17-27.09.17

Class: Pre-Primary – I

Venue: Respective Classrooms

ISA Activity-Colouring the National Flowers was carried out in the class rooms. The Class teachers apprised the students about the National Flower of the country through a PPT followed by an interaction with the students. The students were then provided with an Activity sheet on the National Flower for colouring and recapitulation of Pre Number Concepts such as big/small, more/less etc.

Students completed the Activity sheets under their teacher's guidance and supervision and the same were later on displayed creatively in the Classroom. They were graded on the basis of their participation, colouring ability and clarity of Pre-Number Concepts in the Class Nominal Rolls.

The activity helped the students in acquiring artistic skills and enhanced their confidence. It also instilled the values of team work and sharing and caring.

It enhanced their awareness about the National Flowers of different countries- India, Australia, China, USA, France and Sri Lanka.
