In pursuit of adding another accolade through ISA accreditation, the Pre Primary Wing of Bal Bharati Public school, Noida tried to integrate internationalism into their curriculum, through the theme "The Enigmatic World of Dolls". My Mommy Bestest

Team Spirit

The Pre Primary courtyard was beautifully decorated with cut outs of dolls belonging to different countries. The Pre Primary classrooms and corridors were also decorated with worksheets based on dolls which was done by the children, as a part of their summer holiday homework. It was indeed a breathtaking sight to see the mothers putting in their heart & soul with their children to dress up their dolls, made out of different innovative hand-made materials like paper, cloth, clay, cotton, wool, etc

Our School Principal, Mrs. Asha Prabhakar, encouraged and applauded the efforts of the parents and appreciated their whole hearted participation in the event. She also declared ten (10) prizes instead of 3(three) as the judgement became a tough call for the judges as one creation superceded the other. The parents were happy and felt elated after taking an active part in their child's growth and development. Learning Outcomes:

- The children learnt about the traditional costumes of different countries and hence giving them an international exposure.
- Enhancing creativity and aesthetic skills.
