SCHOOL SAFETY INITIATIVE

A Quiz on Disaster Management was organised as a part of the school safety initiative at Bal Bharati Public School, Noida on Friday ,6th Oct'18 ,where the students from class 6 to 12 participated for imbibing disaster risk reduction and mitigation measures related to their own and their kith n kins safety. Prior to the quiz ,the students witnessed a power point presentation covering the different aspects and types of disaster along with the preparedness measures and the steps to be borne in mind while performing the Disaster Drill. The quiz included questions on identifying the different types of hazards, their causes ,impact and the mitigation strategies

adopted for their prevention.

Our strength is the work for individuals who work here and practice safety always. Although hope may be a pleasant acquaintance, it is better to have safety as your best friend.
