

## Report on Workshop - Secret to Success

**Date: 19 August 2016**

**Venue: School Auditorium**

**Attended by: Students of class XI and XII**

**Resource Person: Air Marshal(Retd.) Ramesh Rai**

A workshop was held on success on 19<sup>th</sup> August 2016 for the students of class 11-12 on the topic which is surely desired by everyone –Secret to Success. The workshop was held by Mr. Ramesh Rai, Ex Air Marshal, Indian Air Force .He started off with the million dollars, **“Do you want to Be Successful?”**

In his hour long session he quoted many glorious stories of people who succeeded in life despite unfortunate circumstances, including renowned figures like Karoly Tacaks, Colonel Sanders, Jack Ma and many others. He advised students to have a passion for success, so strong that one would be ready to even die for it and to plant the seed for that passion right now - as a student. He explained how success has nothing to do with where you start and that success transcends all circumstances. Students were

also convinced that each one of them have immense capability and power and can indeed succeed in life.

He also told that the only failure in life is the failure to try. He informed the students about life skills and how one should lead a successful professional as well as social life. Some important life skills are Self-awareness, Creative thinking, Effective communication, Problem Solving, Empathy, etc. He concluded the workshop by advising students to start planning for their success NOW, when they're still young.

The interaction with students was very direct, so much so that Mr. Rai was interacting individually with students using their names. He also awarded students with chocolates for every correct answer. The students walked out of the room inspired and everyone seemed to have thoroughly enjoyed and learnt from the workshop.
