### BAL SABHA ACTIVITY

#### ORIGAMI IS FUN

**DATE : 06.09.07**

**CLASS : Pre-Primary I**

**VENUE : Classrooms**

Origami activity was a new learning experience for the children and they took interest in immaculately folding the paper to give it the desired shape. Topics like Flower, Boat, Fish were assigned to different sections of PPI and the children followed the steps along with their Class Teachers to create their own objects.

Following Carefully

Immaculate Folding

All children in the class were given origami sheets and the teachers demonstrated , step by step,how to fold the paper neatly and make the object .The children were very enthusiastic in learning this new form of paper folding. The class Teachers assisted the children whenever it was required.

**Learning Outcome:**

1. Increased the attention span and focus.
2. Enhanced fine motor and creative skills.
3. Followed instructions.
