

BAL SABHA ACTIVITY

3D ART –CHRISTMAS TREE MAKING

CLASS- PRE PRIMARY I (ALL SECTIONS)

Date: 20.12.17

Venue: Respective Classroom

This activity was planned to give the children a festive flavour of the Yuletide spirit. A green semicircular pastel sheet ,provided to each child was decorated with stars and smilies .With the help of the teacher the children made their own Christmas tree by folding it in a conical shape.The base of the tree was made with clay and it was displayed in the classroom.

This activity enhanced the aesthetic and creative skills of the children.Fostering fine muscle development was one of the main purpose of this activity.The children enjoyed this activity and proudly displayed their beautifully decorated Christmas tree.
