DEPARTMENT: PRE-PRIMARY REPORT OF BAL SABHA ACTIVITY- BEST OUT OF WASTE

Date: 26.04.17

Class: Pre Primary – II

Venue: Pre Primary Classrooms

The 'Best out of Waste activity' was planned to instill importance of conservation of environment amongst the children. It was an exciting theme based activity for the children. Innovative ideas were used by the teachers in guiding the children.

Children made creative and beautiful paper weights, mobiles and pen holders by finger dabbing, colouring and paper folding, using pebbles, CD'S, ice cream sticks. The items made by the children were later given to be taken home. The activity enhanced the creative skills and aesthetic sense of the children.

Learning outcome:-

- The children enjoyed the activity using their creative skills.
- The children learnt how to convert the waste and discarded things into useful items.
- The creative skills and imagination of the children got enhanced.
