

**REPORT ON CROSS WORD SOLVING  
AN INTER-SECTION BAL SABHA ACTIVITY (CLASS IV)**

*“ Each of us is the piece of the puzzle and each of us helps to set in place other important pieces ”.*  
- Neil L . Adersen

The intellectual stimulus for students at school is not limited to curriculum. Being naturally curious, children are enthused by activities which would help them unravel clues. Keeping this in view, an Inter Section CROSSWORD PUZZLE competition was organized for the students of class IV on September 20, 2017 as a Bal Sabha Activity. The event saw students enthusiastically exploring the given clues to find answers that would fit in the grid.

Crossword solving, as an activity, has multifarious advantages. It not only helps in stimulation logical reasoning but also helps in increasing vocabulary and improving spelling skills. It also helps in learning to collate words, look out for patterns and finding similar words. Ultimately, it helps in better inference and thereby, better linguistic and communication skills. The activity was a great success with the vivacious participation of students.
