REPORT ON 'JUST A MINUTE' (Bal Sabha Activity) held for Classes I & II

'GIVING VOICE TO MY THOUGHTS'

'JUST A MINUTE', Bal Sabha Activity was held for the students of class I & II on the 26th of April 2017. It was an individual activity in which the students had to speak for a minute on 'Know Your Helpers'. The students speaking skills were adjudged on the basis of content, confidence, expressions/diction & clarity of voice.

The response received towards the activity was phenomenal. The students tried to give their best shot. A few reaped appreciation for themselves.

Such activities nurture confidence among the little ones to be par excellence in public speaking skills in the long run.

A Genius mind speaks
