### **Special screening of Movie – The Jungle Book**

Monday, the 02<sup>nd</sup> of May began with a lot of excitement and enthusiasm for the children of primary department as they all geared up for the special screening of the Disney movie classic, The Jungle Book. The movie is based on the original work of Rudyard Kipling and is directed by Jon Favreau.

A total of 375 students of classes III, IV & V, accompanied by 18 teachers reached the venue, The Centre Stage Mall, where the screening was organized.

**At the Venue**

Everything went smoothly as the children got seated and the movie started at 09:00am.

**The fun begins**

The movie had so much for everyone. While Sherkhan frightened every one, Baloo brought a smile on the faces. While Mowgli's caretaker Raksha moved us with her affection, his Godfather Bagheera taught us to stay by the rules. The movie carries a message too and that is, to always support and stand by your dear ones, no matter what.

**A still from the movie**

Head Mistress Mrs. Vinaya Pujari also accompanied us and personally ensured the welfare of all the students. All the students thoroughly enjoyed this experience which will definitely remain a memorable one to them. The movie brought out the child in each one of us and took us through a roller coaster ride of emotions.

Of course... We are having fun!!
