

# BAL BHARATI PUBLIC SCHOOL, NOIDA

## REPORT OF DAY TRIP

### VISIT TO SWARN JAYANTI PARK, GHAZIABAD

DATE: 14-11-14

#### A PEEP INTO OUR GLORIOUS PAST

*The school organized an educational and fun filled day trip for Class I students on 14<sup>th</sup> November 2014. The children were taken to Swarn Jayanti Park, Ghaziabad. The group of 118 children was accompanied by 6 teachers. It was their free play time and they enjoyed every moment of it.*

*At the out-set, the teachers made them aware how green and litter-free the park was. The students were instructed to leave the park as clean as they found it on their arrival. The obedient tiny-tots collected the wrappers, foil papers, juice packs etc in the polybags. These were later disposed in the dustbins. Thus, the trip provided a first hand learning experience of "Swachh Bharat Abhiyan" when the children appreciated the cleanliness in the park around them.*

*Physical exercise by way of races, skipping, cricket and chasing a frisbee were high five activities. The activities thus brought out the best of social skills and team spirit in them. These activities enhanced their hand-eye coordination.*

*The Students connected with the nature by hugging trees and watching butterflies fly with keen interest and awe. They appreciated the beauty of plants and learnt to save and nurture plants.*

*The trip was enjoyed by all - students and teachers and truly embodied the spirit of children's Day celebrations.*
