Rakshabandhan marks the celebration of brother-sister love, care, share and protection. This very spirit was kept in mind while designing the Bal Sabha "Sharing and Caring (Rakhi Making Activity)". The activity began with the discussion about the festival 'Rakshabandhan'. The significance and the manner in which it is celebrated was discussed with the children.

The students were guided to decorate the base of the Rakhi using decorative materials e.g. mirrors, sequins, glitters etc., under the guidance of their class teachers. All the students thoroughly enjoyed the activity.

Learning outcomes:

- Children learnt about the significance of the festival.
- It enhanced their aesthetic sense and creativity.
- This activity helped the children to relate them with their own culture and traditions.
- A sense of pride was also instilled in them.
