

DEPARTMENT: PRE-PRIMARY
REPORT OF BAL SABHA ACTIVITY-SHOW & TELL

Date: 30.08.17

Class: Pre Primary – II

Venue: Pre Primary Classrooms

The 'show and tell activity' was planned to enhance the oratory skills of the children. It was an exciting individual activity for the children. Creative head gears and masks of pond animals and insects were prepared by the children.

Children came dressed up and spoke beautifully on insects and pond animals using their hand props. Thus the activity enhanced their oratory skills and confidence. They became aware about the characteristics of pond animals and insects. They became sensitive to the existence of other creatures – big and small.

Learning outcome:-

- The children enjoyed the activity using their creative skills.
- The children learnt about the characteristics of various insects and pond animals.
- Their confidence and oratory skills also got enhanced.
