

BBAC SOLAN - REPORT

B.B.P.S. Noida

“Solan” famously called the mushroom city of India was re-explored by the young Bal Bharatians this year. The teeny-weeny flaps of our adventurous birds glided into the serene verdant beauty of Solan.

INCREDIBLE SERENITY

A group of 81 students, 4 escort teachers and 2 sahayikas left for the Bal Bharati Activity centre on 18-02-2015 at 6:00 pm sharp. The buses were very neat and comfortable. It was their free time and they enjoyed every bit of it.

After 4 hours of exciting and hassle free ride, the buses halted at the very famous restaurant “HAVELI”. It is a typical Punjabi restaurant where the Punjabi cuisine is served with a rare ingredient-affection. All the students enjoyed a delightful brunch there. After resting for a while and having a satisfactory meal, students boarded the buses again and resumed their journey.

BON APETITO

The entire journey was lined with the invigorating picturesque scenes of the magnificent wheat farms, huge factories and small commercials.

The buses reached the Bal Bharati Activity centre at 4:30 pm. The centre is located amidst scenic pine clad mountains which is not just a feast to the visual senses but also offers the chance to ascertain your fitness level with the sporting facilities

BAL BHARATI ACTIVITY CENTRE

The students accomplished various activities viz. trekking, rappelling, rock climbing, valley climbing, burma bridge, nature walk etc. The enthusiasm of the little champs was unmatched. The fatigue factor of the students used to be steamed away by the dance party organized every evening by the BBAC instructors

STABLE FEET

SOARING THE SKY

The activities brought out the best of social skills and team spirit in them. The group also visited a renowned Shiv temple of the local area.

ENCHANTING WAVES

With this, the group left for Noida. The buses were filled with the talks of the activities and the performances. The trip to Solan was a perfect blend of adventure and fun.

The trip was a truly a memorable journey for the students as well as the teachers. To conclude, it is a great place for trekking and is a heaven for those who love to feel oneness with the nature.
