Circular No.28/2018-19

Date : 06 July, 2018

Dear Mother,

- We at Bal Bharati Public School, Noida provide students with knowledge, skills, capacities, values and the enthusiasm to mould a healthy life style into adulthood. It has been our constant endeavour to help young girls cope with the change they go through at puberty in a confident manner, accepting the right hygiene practices.
- Under the aegis of 'Health & Wellness club' of the school an Adolescent Education Programme 'Health & Hygiene' co-sponsored by Procter & Gamble, is being organized for the girls and mothers of CIs VI & VII on 21<sup>st</sup> July 2018 at 11.30 a.m. in the Senior Library. The programme will have three sessions for mothers and daughters and will essentially deal with all aspects of hygiene, health and emotional problems related to growing up of girls.

**“MAKE HYGIENE A LIFE STYLE, NOT A DUTY”.**

- We look forward to your support in conducting the programme.

**Asha Prabhakar**
