

INTERACT CLUB (SEWA)

सेवते यस्तु मानवान् , तस्य विस्तारितम् यश!! तैलबिन्दुरिवाम्भसि :

Due to the treacherous acts of mankind on the mother earth and uneven rainfall this monsoon, parts of Assam, Manipur, Tripura and Mizoram are experiencing massive floods, causing wide scale devastation and loss of life and belongings. Many other states are on high alert, given the increased water levels in many rivers. **The ground realities need urgent action and the need of the hour is altruism-to rise beyond self.**

The Interact Club of the school in collaboration with NGO Goonj has initiated 'Rahat Floods' campaign to help make the difference.

Interactors and students are requested to donate relief material latest by **10th August, 2018** to their respective class teachers. Teachers are also expected to join the worthy cause.

***Relief Material** – like clothes in good condition (for all age groups), shoes and slippers, tarpaulins , ropes, blankets, solar lights, mosquito nets, dry-ration (rice, pulses, spices etc.), bed sheets, curtains, utensils, buckets & mugs, water purifier tabs, torches, umbrellas , raincoats, crutches, candles, toiletries & sanitary pads, school bags and stationery etc.

Let us be charitable in a dignified manner. It is requested that different materials are packed neatly in separate bags and labeled properly.

Do contribute and motivate others to join the campaign!
