Dear Parents,

This note is in reference to an incident witnessed in the morning on the Government College Road where a Private Van had met with an accident with a bus. The impact of collision was such that both the doors of the van rammed into the bus and the children sitting inside the van got hurt very badly.

We, at Bal Bharati Public School, Noida ensure safety of each and every child studying in the school and sincerely hope that such untoward incidents do not happen. In the light of the above, it is requested that parents of all van users ensure that the Private Vans / Cabs hired by them are in perfect condition and adhere to the safety guidelines as mentioned in circular No.37/2017-18 dated 14 Sep, 2017.
