

**THANK GOD IT'S FRIDAY (TGIF) - EXPRESS IT !!**

*Believe in yourself, and find ways to express yourself,  
and find the discipline to keep growing.*

Dear Parents,

Every child is bestowed with at least one talent and if conducive environment and opportunities to hone the talent are provided, children become very good at it.

Some children recognize their talents very early, while others struggle to figure out the thing, they are exceptionally good at. When a child's talent is discovered early on, then they feel rewarded and there is a desire to become better and the child is likely to succeed in his/ her pursuits with less difficulty and more quickly. Early discovery of talents also help a child to do good for the society and become a source of inspiration for others.

On the other hand, the children who are not aware of their talents and true calling, need guidance to identify their talents and hone them for the enrichment of their souls and the benefit of the society.

In order to provide a platform to the students who have been able to identify their talents and to motivate those who are yet to identify their inherent potential, BBPS Noida is initiating a Club named **TGIF - Express it !!**

which will operate on all Fridays from 5.00 pm to 6.30 pm starting from March 2022. The objective of the club would be to showcase the talent of the students and build on their communication skills; to provide them with a platform and audience to interact with and thereby build confidence amongst the children to stand in front of a crowd and present their skills.

**Guidelines for students**
