AN EDUCATIONAL TRIP TO PARLE-G

WEDNESDAY, 07 AUGUST 2019
FRIDAY, 09 AUGUST 2019

On 7 & 9 August, 2019, one hundred ninety four enthusiastic students of class Pre Primary-II visited Parle-G Factory in sector-63, Noida. They were escorted by 05 teachers and 04 sahayikas on each day. Parle Products are India's largest manufacturer of Biscuits & confectionary items from the past 80 years. The name symbolizes nutrition, quality and good taste. In the initial segment of the visit, the students witnessed a documentary which demonstrated the entire process of making the biscuits and candies right from assembling all the ingredients till the final packaging of the finished products. They were then taken to the manufacturing unit to have a view of various stages of production of candies and toffees such as mixing, moulding and packaging the final product. Students received packets of Parle-G biscuits and toffees. It was a memorable trip for them.

A yummy biscuit decorating follow-up activity was conducted in the Pre Primary classrooms. Under the supervision of the teachers, the children made delicious "Biscuit Sandwiches" with jam, gems and edible items.
