

## **A Report on Hunar Bazaar**

***'The more we give importance to skill development, the more competent will be our youth.'***

In this globally and digitally interconnected world, all learners, from cradle to career, need new skills and knowledge to succeed. Introduction to skill training at a young age will by all means give the student an opportunity to explore various options and accordingly, narrow down on a vocation of his/her liking. In order to prepare our children for success in school, work and life, Bal Bharati Public School Noida provided a plethora of opportunities for the students to develop the capacities of the spirit of inquiry, creativity,

entrepreneurship and moral leadership.

In keeping up with the commitment towards 'Make in India' and 'Skill India' Hunar Bazaar has significantly encouraged and promoted the rich traditional heritage of master artisans by training the students from classes Pre- Primary to XII with hands on workshops integrating art and craft, scientific temperament, technological expertise, Industrial Chemistry, Home Science, Robotics and Artificial Intelligence.

The much awaited Hunar Bazaar (Skills Bazaar) was celebrated with pomp and glory by Bal Bharati Public School, Noida on 18 January, 2020 in the school premises amalgamating 21<sup>st</sup> century skills with main stream education.

The school became a hub for encouraging and promoting traditional art and craft from handmade rare exquisite products. The little enthusiasts of Pre Primary Wing displayed various art and craft activities ranging from Spray Painting, Ear Bud Printing, Ribbon pasting, Shilpkar Jewellery, Painting with Printing technique, Warli Art Painting, Quilling jewellery, Tray and coaster, Plate Art and Macrame work. The Tiny Tots enjoyed trying different forms of painting and learned the techniques of the same. Each day of the week had a different activity planned for them which helped them to express their creativity and artistic talent.

**Warli Art Painting**

**Spray Painting**

**Warli Craft Activity**

**Ear Bud Printing**

With the motto of empowering young learners with life skills, not only the senior students but also the Primary children participated passionately in the Hunar Bazaar activities. The different activities planned for Primary classes were as follows:

Class I: Painting Bags

Class II: Tile Painting Frames

Class III: Frame using Button Art

Class IV: Frame using Kutch Art

Class V: Decorating jute bags learning different stitching patterns.

**Carving expressions through  
needle and threads**

**Decorative Jute Bags**

These activities not only helped to enhance creativity, aestheticism, decision making, team work and leadership skills among the students, but also to inculcate awareness, love and attachment towards the rich culture and heritage of our country.

The students of Middle wing were given an opportunity to showcase their inner talent and creativity by participating in the following activities.

Class VI: Fridge Magnets

Class VII: Warli Field Art on Wooden Frames

Class VIII: Name plates using M Seal

Fridge Magnets

Warli Field Art on Wooden Frames

The students showed their enthusiasm and brilliance as they rendered their skills as these activities indeed enhanced their creative zeal and zest for artistry. The students learnt how to make aesthetically utility goods.

The other remarkable features included the experiential learning under the cherishing umbrella of Industrial Chemistry where students sold a gamut of products like Neem oil, Herbal hand wash, Liquid dish wash, Sanitary cubes, Dish wash Bar, Bathing soap and Phenyl implementing Industrial Chemistry.

Display of Industrial Chemistry

Home Science future  
Entrepreneurs

The students of Home Science worked as budding entrepreneurs by preparing and displaying jute reusable bags to limit the use of plastic bags, decorative sauce bottles with money plants to initiate the habit of keeping indoor plants, horse cart made up of jute, hand- made paper cord cycles and mixed vegetable pickle.

Stall displaying Hand Crafted Products

Under the aegis of Environment Club, the students sold compost made in school, green planters prepared in the campus and also neem oil extracted from the best of neem trees which are all organic by nature.

Environment Club initiative

In order to give expression to the scientific temperament and inquisitive nature of the budding scientists, the Robotics club displayed two game zones namely Robo war and Robo Soccer prepared by the students of classes VI to IX.

Robotic Wonder

Budding Scientists

The students of Bal Bharati Public School Noida are critical thinkers being digitally literate and ensured their effective communication through Artificial intelligence stalls in which they held talks on Sentiment Analysis, Smart home with Chatbot features, Chatbot, Face Recognition System and Reading the vehicle Nameplate using camera.

The Hunar Bazaar was an excellent example of effective coordination, planning and execution. A greatly anticipated occasion, welcomed by one and all saw eager participation from all quarters. All classes put up games stalls with full enthusiasm. The games stalls like Rubik's Cube Challenge and the Spooktacular Haunted House appeared to be the star attractions. The food stalls catered to satiate one's taste buds with indigenous to exotic delicacies. The crowd was elated while enjoying the rides and gyrated to the foot tapping music and dance performances of the students which reverberated to make the ambience beckoning and bewitching. Shopaholics had a gala time as they could select from eclectic choices of artisans. The audience had a good time and were captivated by the fabulous extravaganza. The atmosphere was filled with a euphoric excitement when the most coveted Raffle and the Lucky Draw prizes were announced. Those who could not win were not bogged down as the DJ saw them dance their hearts out. The mega event turned out to be a roaring success and received huge appreciation from all parents who visited it.
