from The Prime Minister's Box at Rajpath, New Delhi
as a Guest of Hon'ble Prime Minister of India.

This honour has been given to him/her in recognition of his/her excellent academic
performance in the Secondary School examination conducted
by E. B. S. S. for the Academic Year 2018-19.

New Delhi
January 26, 2020

(G.C. Hosur)

Joint Secretary to the Government of India

Centre for Scholastic Integration (Inclusive Education)

Individual meetings were convened by the School Counselor and Special Educator to discuss IEPs (Individual Education Plan) with the parents.

Major emphasis was laid to support important life skills and accordingly the class Teachers and other staff is being trained to handle these students.

Also, in respect of Autistic students a strong **Behavior Management Plan** has been drawn by the school. The school is in touch with certain para professionals to seek assistance in this regard.

Observation Of World Disability Day

World Disability Day was observed on 03 Dec, 2019. The students were sensitized about various disabilities emphasizing the need to include and provide opportunities to Children With Special Needs. A display board regarding the relevance of the day as well as depicting achievements by some people with disability in the field of academics, entertainment and sports was displayed.

Social Skills Training Session

The Special Education Dept. spent good time with CFSI students (IV & V) teaching social skills. The aim of the activity was to make the students aware about desirable behavior to be displayed in public and private places.

INNOVATIVE PRACTICES

Astronomy Week

To inculcate scientific temperament sowing seeds at an early age, the Pre Primary wing observed Astronomy Week between 09 & 13 Dec, 2019. The purpose of enhancing curiosity and exploration was fulfilled when the school received good amount of testimonials from the parents.

It is well worth activity, Ivaan is now aware of all the planets even telling the name of 8 planets. He also told us the meaning of constellation. Hats off to all the hard work done.

Varenya was super excited to see the room... She said it was dark in there and beautifully decorated sky.. 🌟
 🌟... she said also posed for pic. She said she saw planets and sun... And finally she got that sun is a star....
 Mam ne bataya..... Ke sun bhe star haii. ..."

7:28 pm

It is a tough job for parents to send their kid to school in winter morning. Your astronomy activities week brought some difference, made it easy. Kids are showing interest to go to school by themselves. Thank YOU mam.

6:07 pm

It's so great to see children learning so much at this young age..it's said that most of the brain development happens till the age of 5..and I see Ishanvi's school taking care that her and her fellow student's development is proper. The astronomy week has opened a wide new door for my daughter she is sooo curious and excited to learn about the space..each day she has learns some thing new and comes back with a bag of questions.. which is equally exciting for me...today she asked me to take her to Nehru planetarium ...I was surprised that she remembered the name...I deeply want to thank her class teacher for making our kids learn things so nicely. Ishanvi is in great hands...also want to thank the school for organising such events that opens up new learning doors for the students.
 Regards

8:31 pm

It is great learning experience for them. They learnt a lot and ofcourse it's very interesting for them. My Daughter Advika can name all the planets and their colours too.she recites a poem on our solar system.We are very thankful for your efforts. Thank you so much 😊

6:08 pm

Yes she told me alot about it...Some of these are There are 8 planets.. Sun is also a star... Sun hide behind the clouds... Sun shines in d sky. Yesterday she was telling me that we did colouring in different planet cut outs and today she was telling me that we have seen a movie based on the same...She is enjoying alot.. I m really glad that she is knowing all this at this age.. Thanku so much for ur efforts

Parent Testimonials

Skill Development Week

The new education policy focuses on development of skills among the learners.

To encourage and inspire the young minds, students of Classes I-VIII were taught to make various products like Jute Bags, Wall Hangings, Kacch Wall Art, Mosaic Art Patterns, Jewellery, Fridge Magnets, Warli Artifact and Decorative Name Plates. The artifacts were put on sale for the visitors during Hunar Bazaar. The skill curriculum drawn by the school to observe skill week became heart of the process of skills education during the entire week.

हिन्दी ब्लॉग

गत वर्ष नवम्बर मास में दिल्ली–NCR में प्रदूषण खतरनाक स्तर को पार कर गया, प्रदूषण के हालात को देखते हुए स्कूल के बच्चों की भी 14 और 15 नवम्बर को जिलाधिकारी द्वारा दो दिनों के अवकाश की घोषणा की गई। इस समस्या के प्रति जनजीवन को जागरुक करने हेतु हिन्दी ब्लॉग पर कक्षा 'छठी से दसवी' तक के विद्यार्थियों को विषय–'प्रदूषण नियंत्रण' पर हिंदी अध्यापिकाओं द्वारा लेख व कविताएँ लिखने के लिए प्रेरित किया।

प्रकृति को बचाओ

प्रकृति को बचाओ
पेड़ों को मत करो नष्ट,
सॉस लेने में होगा कष्ट I
प्रकृति है भगवान का कमाल,
हे मनुष्य! उसको सँभाल I
प्रदूषण से होगा प्रकृति को नुकसान,
आओ चलाएँ एक नया अभियान I
पेड़ लगाओ प्रदूषण घटाओ,
प्रकृति से ही जीवन है,
इसको बचाना ही नियम है I
तो पेड़ लगाओ,
प्रकृति को बचाओ I

संसार को प्रदूषण मुक्त बनाएं

सुनो एक कहानी
जो कहती ,थी दादी – नानी।
पेड़ों की छाया में
दिन भर बैठ कर बिताती अपनी जिंदगानी।

वह कुओं का मीठा –मीठा पानी
नदियों की कलकलाहट
मुझे झकझोर देता है
उन झरनों की सरसराहट।

वो गांव की ताजी हवा
जिसमें थी फूलों की महक
वो बागवान और बगीचे जिसमें थी
चिड़ियों की चहक

लाना है स्वच्छता को साथ,
लेकिन चाहिए दुनिया भर का हाथ।
चलो जोड़े उन पंचतत्व को साथ,

वायु प्रदूषण और मानव जीवन

प्रदूषण इन्सान की सेहत के लिये एक बहुत बड़ी समस्या बन रही है। उसके बहुत से कारण है। प्रदूषण की सबसे बड़ी वजह जनसंख्या का बढ़ना है। जनसंख्या बढ़ने से प्रदूषण भी काफी तेजी से बढ़ रहा है। प्रदूषण चाहे पानी की वजह से हो या हवा की वजह से, इसने इन्सान के स्वास्थ्य को तबाह कर दिया है। प्रदूषण की खासतौर पर तीन किस्में होती हैं। जल प्रदूषण, वायु प्रदूषण और ध्वनि प्रदूषण।

वायु प्रदूषण एक ऐसा प्रदूषण है जिसके कारण रोज-ब-रोज मानव स्वास्थ्य खराब होता चला जा रहा है। जब कभी हम बाहर जाते हैं तो हम धुएँ के बादलों को बसों, स्कुटरों, कारों, कारखानों की चिमनियाँ से निकलता हुआ देख सकते हैं। सिगरेट का धुआँ भी हवा को प्रदूषित करने में पीछे नहीं है।

जहाँ पर वायु को प्रदूषित करने वाले प्रदूषक ज्यादा हो जाते हैं, वहाँ पर आँखों में जलन और खाँसी आना एक आम बात है। कुछ लोग इसको महसूस करते हैं और कुछ लोग नहीं करते।

ISA Activities Face To Faith

Following video conference was held during the period under the report.

DATE	SCHOOLS INVOLVED	TOPIC	AGE GROUP	CONCERNED STAFF
(LEARNING AND EXCHANGE OF IDEAS THROUGH VIDEO CONFERENCING)				
Wednesday 18/12/19	1. Peshawar Model School Boys 4, Pakistan 2. Bal Bharati Public School, Noida, India.	The Power of Narrative (Hindi)	15+ Yrs <u>For Class IX & XI</u>	Ms. Rajni Gathania, TGT (Hindi) Ms. Meetu Tripathi, PGT (Comp Science)

Learning Outcome:

कथा की शक्ति विषय पर वीडियो कांफ्रेंस सफल रही जिससे छात्रों को विस्तृत जानकारी प्राप्त हुई जिससे उन्हें पता चला कि किस प्रकार दादा - दादी की कहानियों ने उन्हें मदद की जो वर्तमान में भी उनका प्रदर्शन कर रही है। साथ ही साथ इसके सकारात्मक और नकारात्मक प्रभावों पर भी चर्चा की गई।

Facilitator's Feedback of Video Conference

One of the stories shared by the student talked about how by being persistent one can achieve impossible things in life. A student from Pakistan spoke about the idea of narration and how it can have both positive and negative effects on one's life. A student from India asked about the negative effects of narrative to which student from Pakistan responded by saying that the positive and negative effect of the narrative depends on how we take that story. Students were able to create a dialogue thread and were able to go deep into the topic.

ASTRONOMY CLUB

Nehru Planetarium organized a preparatory 'Sun Projection' workshop on 12th December 2019 to enable the observation of the 'Annular Solar Eclipse' by students in their school campus on the 26th Dec'19.

The workshop included talks related to the Sun and eclipses, safe methods of observing the eclipse, guidance to the participating team for the construction and assembling of a **simple refractor telescope** to be used for Sun Projection.

A team of 10 students from Class VIII attended the workshop along with a skilled carpenter who understood the method of construction of the projection box.

The projection box was constructed and the telescope fitted on to it. Students also made pinhole cameras to view the eclipse.

In a creative activity Our Solar system, carried out for students on 21st Dec'19, students identified objects in the solar system and created travel brochures or advertisements to attract future space tourists to their exotic destinations.

The students then used the information that they had gathered to create travel posters, brochures, television or radio commercials for their destinations which included valuable facts about their chosen objects. At the end, each team made its presentation.

SPACE Café (Classes III –V)

Students understood that food sent to space is a complete balanced diet and is specially processed and packed. Factors that help in choosing food items to be sent in space depends on the likes and dislikes of an astronaut (as choices vary from one region to another), the shelf life of the food item, the portion that can be consumed at one time (so that there are no leftovers to avoid contamination) and least volume of the food item.

The students got an opportunity to act as Food scientists for the day where they performed roles of Nutrition specialist, Food engineers, Food organizers, Spice engineers, Health managers in order to prepare the Astronaut Food Tray.

Hydrobot (Classes VI – VIII)

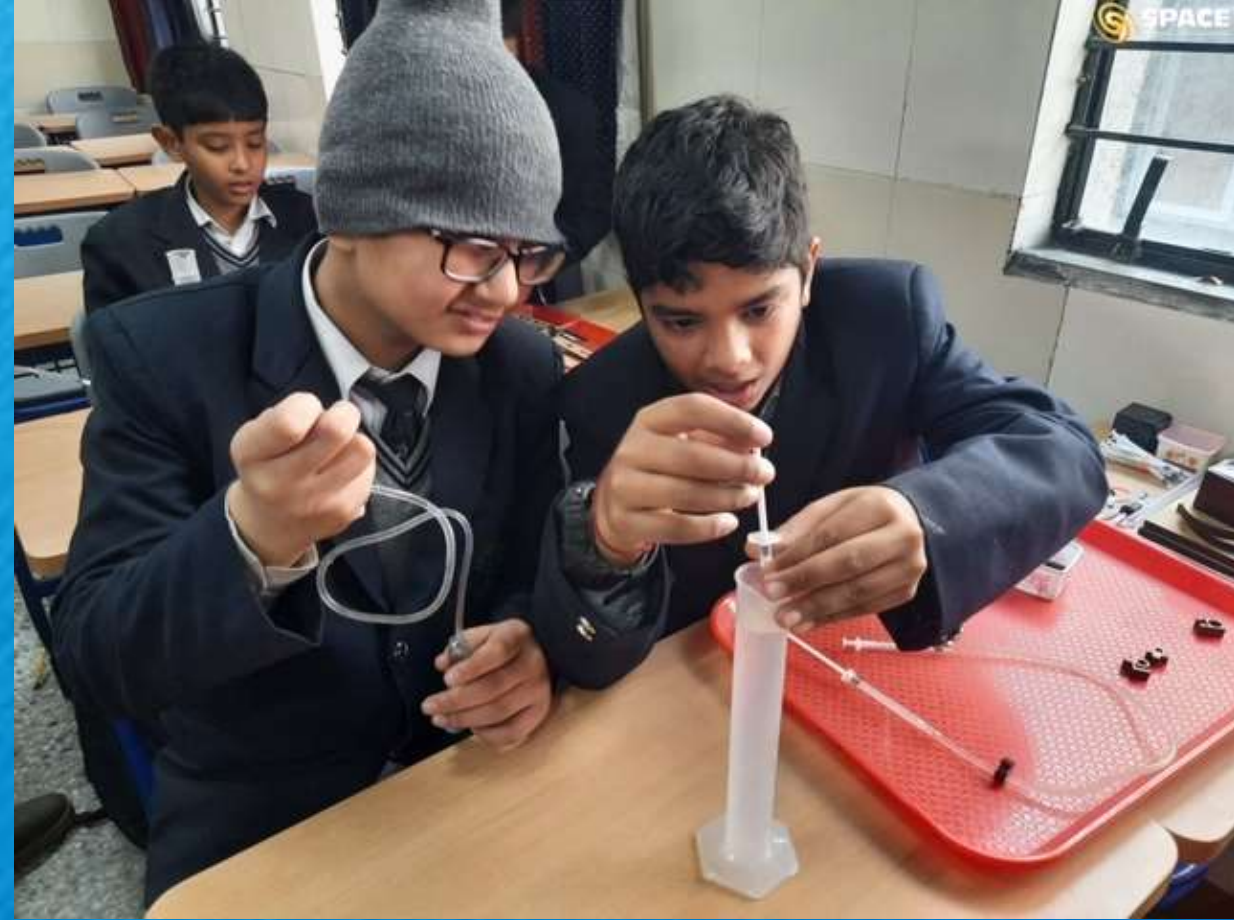

In this workshop, students were introduced to the concept of hydraulics in a very interactive manner. They learnt about the properties of fluid and how fluids can be used in hydraulic machines. They learnt about the application of hydraulics in space sciences.

concept of hydraulics
Through
Hydraulic Bot

Students explored the use of robotic arm on ISS and the Curiosity rover. They participated in various hands on activities to understand the hydraulic principle and its application. They worked in teams to make their own Hydrobots.

ENVIRONMENT CLUB

The Environment Club initiated an e-waste collection drive from 10 to 20 Dec, 2019 for proper disposal and recycling of e-waste.

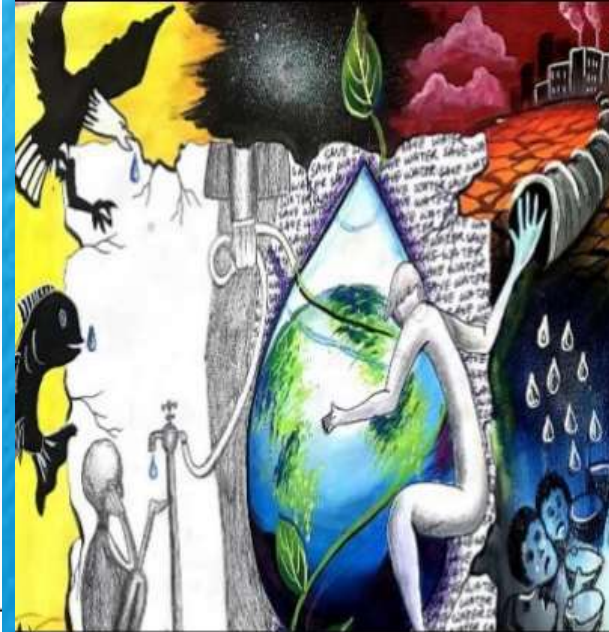

Under the aegis of CBSE 'Expression series on Water Conservation', the Environment Club organised the water conservation drive from 18 to 22 Dec, 2019 for Classes IV to XII.

The purpose of the drive was to create awareness among students to save the precious natural resource.

HEALTH & WELLNESS

CLUB

Organ donation is a generous and worthwhile decision that can save many lives.

By donating, each person can save the lives of up to

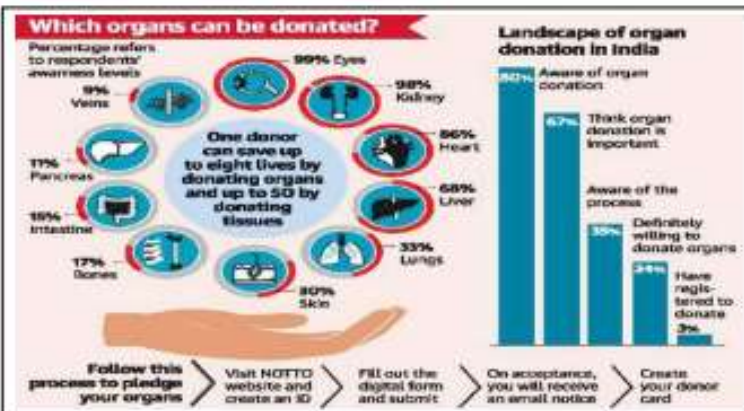

8 individuals

by way of organ donation and enhance the lives of over

50 people

by way of tissue donation.

My husband is great at giving me surprises and this year was no less!
After a nice morning drive, he said he planned a special lunch for me. We reach the 3rd floor of a particular mall and entered an eatery whose board read, "Dialogue in the Dark".
I could make out that it was a different place because I couldn't see any people just a counter with a manager, a menu card and a bell.
We walked up, he said, "Aha, you're here, Happy Birthday, and we hope we make your day memorable to you."
The manager smiled and asked us to follow him in a pathway which for some reason kept getting darker and darker, until a point I had to hold my husband because I could absolutely see nothing.
The manager now turned to us and said, "I am handing you over to our server for the day, Sampath."
Sampath greeted us warmly and began by saying, "As you can see; you can't see!"
"It's pitch dark already and there are no sources of light inside either; please hold my hand, trust me, you are safe with me and I'll take you to your table."
We did as he told us, holding each other, we touched the walls to support and not trip and as promised, we were safe and reached our table.
Sampath brought in our meals in 10 minutes, and asked us to enjoy!
I thought "Enjoy what ..Darkness?"
And for the next 45 minutes, we ate in complete darkness!! 'We fumbled, we mumbled' and we had to feel the roti, figure out the sabzi, chutney, water, etc.
Not being able to see my husband, just able to hear each other out,
It was difficult in the beginning but as time went on, we completed our delicious meal & it was a unique experience indeed!
When we were done, we called Sampath who came promptly, we stood, placed our hand in his and walked ahead and as we headed back out towards the light I was relieved; And I could finally see the back of Sampath's head, and THEN HE TURNED!
My jaw dropped instantaneously when I finally and actually saw Sampath! A visually-disabled man! No eyes whatsoever!
Sampath whispered softly, "What you experienced was not only how disabled the blind people are but also how uniquely able we are!"
While I almost tripped multiple times, couldn't bear the darkness beyond few minutes; they live like this all their lives!
His spirit, his positivity, his SMILE! I was humbled and filled with a profound sense of respect for them.
I was literally in their shoes for 60 minutes; I felt their pain, felt their world and felt their emotions, and to say the least, their courage too! That was empathy!
I thought to myself, "Sampath might not have eyes, but he surely has VISION".
And I would never discard right away anyone again.
What a Birthday!

Organ donation is the easiest way to contribute to society. "It doesn't require your time, skill or money. It requires you, only after your death. Personally, it is a no-brainer."

In India every year nearly:

- 500,000 people die because of non-availability of organs
- 200,000 people die of liver disease
- 50,000 people die from heart disease
- 150,000 people await a kidney transplant but only 5,000 get one
- 1,00,000 lakh people suffer from corneal blindness and await transplant

Nationally, with a population of 1.2 billion people, the statistic stands at 0.08 persons as organ donors per million population (PMP). This is an incredibly small and insignificant number compared to the statistics around the world.

We understand it is difficult to think about organ donation when you have just lost a loved one; however organ donation is a generous and worthwhile decision that can save many lives. By donating, each person can save the lives of up to 8 individuals by way of organ donation and enhance the lives of over 50 people by way of tissue donation.

Do come forward for eye donation, to give precious vision to our visually impaired brethren. Do sign up to be an Organ Donor. Give Gift of Life.

For further clarification, if any, contact Health & Wellness Club I/C, Ms Vidhi Oberoi, on e-mail vidhi.oberoi@nd.balbhharati.org

A request from Principal's Desk with a small beautiful story asking all Staff and Parents to come forward for eye donation, to give precious vision to our visually impaired brethren was released on 10.12.2019.

An
Eat Right Campaign
 was initiated from
 Principal's Desk on
 10.12.2019.

Circular No.93/2019-20

Date: 16 Dec, 2019

The four main pillars of staying healthy are Balanced Diet, Physical Exercise and avoidance of Tobacco and Alcohol. We at BBPS Noida wish to take a step towards a holistic approach to food habits that promote health and sustainability in school students. Our recent data shows an alarming figure of underweight, overweight and obese students in the school.

School is a time when children start to make independent choices about their lifestyles, staying away from junk food and switching over to home cooked healthy food is the mantra. It is important for children to understand that healthy balanced diet is necessary to stay energetic, achieve better grades, learn healthy eating habits, avoid obesity battle, and perform better in sports.

The best nutrition advice to keep your children healthy includes encouraging them to eat Breakfast every day to help maintain concentration and energy levels. I urge parents to set positive food culture, adequate nutrition will ensure they grow to their full potential and provide the stepping stone to a healthy life. Class teachers will be observing the food being provided by the mothers to their wards.

Under the aegis of health and wellness club, awards would be given to the mothers who are passionately providing healthy food options with variations to their children during the Annual Prize Distribution function of the school.

Please note that Sweet drinks, Dried fruit bars, dairy desserts, chocolate spreads, savory biscuits and processed foods do not belong in a healthy tiffin box.

A healthy tiffin box should have fresh fruits, crunchy vegetables; Home cooked Poha, Upma, Parantha, seasonal vegetables, buttermilk etc. Choose a diet low in fats and provides enough calcium and iron to meet their growing body's requirements.

Go for colour and crunch in the lunch box.

Join us in Eat Right, Eat Safe and Stay Healthy Campaign to be the most Ingenious parent to receive the award.

INTERACT CLUB

The Ultimate Icons of our country are the Armed Forces Jawaans who sacrifice their lives for the country.

The interactors celebrated Armed Forces Flag Day on 7th December by distributing flags among students to inculcate pride and honour in the minds of the students about our Armed Forces.

An amount of Rs.10,000/-
was deposited by the
students to Sainik Kalyan
Evam Punarwas.

Charitable instincts need to take a lead in promoting the power of empathy to drive a more cohesive society. The interactors took an initiative to become a Secret Santa for the underprivileged children. Gift hampers were shared among the less fortunate students of the NGO run East Son school and Gokul Vidyapeeth.

Bal Bharati Public School, Noida joined hands with an NGO to sort, segregate, repair, and pack the shoes for distribution to the less privileged.

This initiative is an attempt to encourage people to make conscious choice towards sustainable living.

The Interact Club members joined hands to help the unfortunate people by collecting woollens in association with GOONJ to bring some warmth in the life of our unfortunate brethren.

ATAL TINKERING CLUB

Avishkaar Makeathon 2019

Tanvay Gupta (VII), Raghav Jain (VII) and Keshav Gupta (VII) aced the prototype stage of Avishkaar Makeathon and presented their prototype at Celebrate 'Avishkaar' an event held at Tyagraj Stadium, New Delhi on 14 & 15 Dec, 2019.

Their model on
'Water Friendly Mopper'
won accolades from all
quarters. Efforts are on
to further improvise the
prototype.

Inspire Award Scheme

Kartikey Agarwal (IX) and Naitik Das (VI) were selected for the INSPIRE Award (Session 2019-20) under the aegis of Department of Science and Technology (DST) and National Innovation Foundation-India (NIF), an autonomous body of DST.

A grant of Rs.10,000/- each was extended to both of them to prepare Innovative Projects in Science.

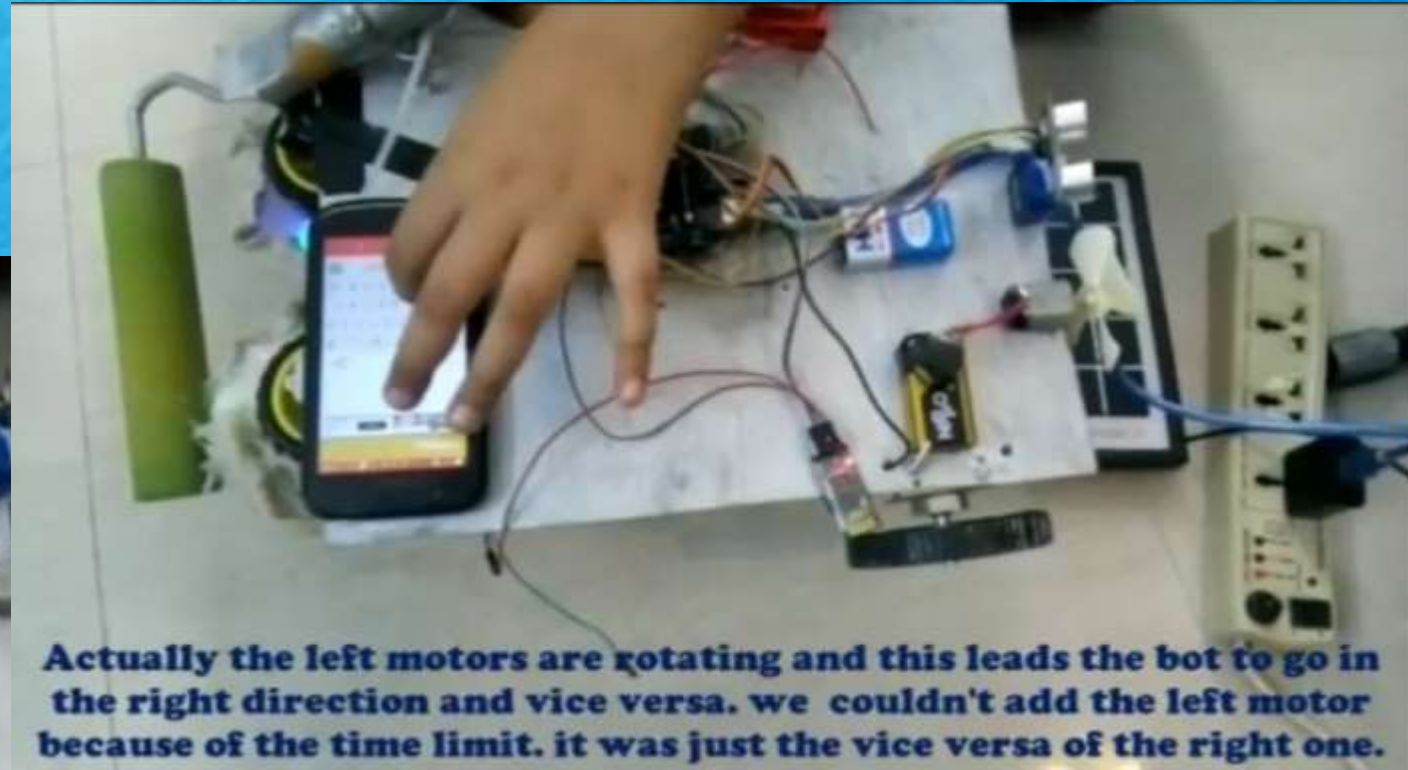

Kartikey Agarwal

Naitik Das

They presented their models on 'Health Monitoring System for Old Age People' and 'Floor Cleaning Robot' in District level exhibition held at GGIC, Vijaynagar, Ghaziabad on 10 Jan, 2020.

Actually the left motors are rotating and this leads the bot to go in the right direction and vice versa. we couldn't add the left motor because of the time limit. it was just the vice versa of the right one.

Actually the left motors are rotating and this leads the bot to go in the right direction and vice versa. we couldn't add the left motor because of the time limit. it was just the vice versa of the right one.

Artificial Intelligence

An interactive hands on Session on the applications of Artificial Intelligence was organised for the students of Classes VI to IX on 24 Dec, 2019 in the School Auditorium.

Students were given an exposure to implementation of Artificial Intelligence through code for Emotion detection, Classification through Rock, Paper, Scissor game and text to text and text to speech chatbot. The session was highly informative and motivated the students to learn more about AI and its applications.

Also, a stall on Artificial Intelligence in the Hunar Bazaar 2020 was appreciated by one and all.

The students demonstrated Sentiment Analysis, Smart Home with Chatbot features, Chatbot, Face Recognition System and Reading the Vehicles name plate using a camera.

The recent advances in Artificial Intelligence have an important bearing on how we teach humans. We are now in a position to move from the **ART OF TEACHING** to the **SCIENCE OF LEARNING**.

MUN CLUB

The school participated in the following event during this period :

S.NO	EVENT	ORGANIZER	VENUE	DATE	PARTICIPANT	ACHIEVEMENT
1	The Ignite Model United Nations Conference, 2019	GNITe MUN	DPS, Rajnagar Extn, Ghaziabad	26 to 27 Dec, 2019	Pratham Ghavri (XI)	Verbal Mention in UNHRC as United Kingdom

OPEN EXAMS

Kishore Vaigyanik Protsahan Yojana (KVPY)

The Kishore Vaigyanik Protsahan Yojana (KVPY) is an on-going National Program of Fellowship in Basic Sciences, initiated and funded by the Department of Science and Technology, Government of India to attract highly motivated students for pursuing basic science courses and research.

It is indeed a moment of great pride that Sarvagya Prasad (XI), has successfully passed the first stage of selection held on 03 Nov, 2019. We wish him good luck for his Interview slated in the month of February, 2020.

Sarvagya Prasad

International English Olympiad

International English Olympiad organized by Science Olympiad Foundation was conducted for the students of Classes I - V on 05 Nov, 2019 in the school premises.

Following students of Classes III-V have qualified for level-2 to be held in Feb, 2020.

Akhil Bhartiya Hindi Olympiad (ABHO-19)

ABHO, organized by Silverzone Foundation, New Delhi, was held on 16 Nov, 2019, in which 243 students from Classes I to X participated. Results are awaited.

Aryabhatta Ganit Challenge 2019 (Under the aegis of CBSE)

The first stage of Aryabhatta Ganit Challenge 2019 was conducted for the students of Classes VIII to X on 18 Nov, 2019. Shrey Jaiswal (IX), Harshit Kansal (IX) & Archie Mahajan (IX) were the top 03 scorers and appeared for the second round of the Gaint Challenge on 29 Nov, 2019. All three of them were placed amongst top 100 students of Noida region.

Shrey Jaiswal

Harshit Kansal

Archie Mahajan

International Social Sciences Olympiad

International Social Science Olympiad organized by Silverzone Foundation, New Delhi was conducted in the school premises on 21 Nov, 2019. 40 students from Classes IV -V participated in the same. The results are awaited.

Economics Olympiad

Team Ecovisionnaire (BIY) had launched Economics Olympiad in July, 2016 with the aim of making Class-XII students confident to take the Board Examination. 49 students from Class XII appeared in the aforesaid Olympiad on 22 Nov, 2019.

Following students gave a stellar performance and won accolades :

S.NO	NAME	CLASS	AWARDS WON
1	Soumitra Dwivedi	XII	Medal + Certificate
2	Prathmesh Shankar	XII	Medal + Certificate
3	Akshit Goel	XII	Medal + Certificate

National Standard Examination In Biology (NSEB)

Harsh Bajaj (XII) qualified the National Standard Examination in Biology which was held on 24 Nov, 2019. NSEB is conducted by IAPT under the aegis of Homi Bhabha Centre for Science Education (HBCSE), Mumbai. He will now appear for the second stage of this exam i.e. INTERNATIONAL BIOLOGY OLYMPIAD, to be held in LUCKNOW, on 2 Feb, 2020.

Harsh Bajaj

NTSE 2019

NCERT conducted a nurturance programme for the NTSE Scholars in an attempt to nurture the upcoming bright future of our country. Prakhar Goel (XI), who is the proud recipient of NTSE Scholarship was invited to attend this Programme which was held at IIT Roorkee from 27 Nov to 03 Dec, 2019.

Prakhar Goel

NSTSE 2019-20

National Level Science Talent Search Examination organized by Unified Council, Hyderabad, was conducted in the school premises on 04 Dec, 2019. A total of 93 students from Classes III to X participated in the same. The results are awaited.

Geo Genius-Geography Olympiad

The Geo Genius National Geography Olympiad was conducted for students of Classes III - X on 13 Dec, 2019. 59 students participated in the Olympiad and the results are awaited.

International Mathematics Olympiad IMO 2019-20 Level 1

International Mathematics Olympiad, Level -1 was held on 17 Dec, 2019, in which 329 students from Classes III to XII participated. Following students have made the school proud by qualifying the Level-2 exam.

Chemistry Olympiad Exposure Camp

Indula Mishra, TGT (Science) and **Vibha Jain**, PGT (Chemistry) attended the Chemistry Olympiad Exposure Camp organised by Homi Bhabha Centre For Science Education and TATA Institute of Fundamental Research, Mumbai from 21 to 24 Nov, 2019. It was a great opportunity for them to learn and explore the nuances of International Olympiads organized by HBSCE.

Chemistry Olympiad-Exposure Camp

Paper Presentation

Ms Swati Chawla, PGT (Physics) presented the research paper entitled "Innovative Methods of Teaching Physics through simple computer programming" at National conference on "Emerging Trends in Technology and Management" conducted in association with International Academy of Physics Sciences (IAPS) India on 29 Nov, 2019 at Global Institute of Technology and Management, Gurugram.

Ms Anjali Sharma, PGT (Maths) submitted a paper entitled as "Curing Mensuration Mania" which has been accepted for POSTER presentation by the Selection Committee of the "International Conference on Education in the Twenty First Century" (ICE21C) to be organized by Regional Institute of Education, Bhubaneswar from 21 to 23 Feb, 2020.

Dear participants,

We are pleased to inform, that your paper entitled as "CURING MENSURATION MANIA" has been accepted for **POSTER** presentation by the Selection Committee of the "International Conference on Education in the Twenty First Century" (ICE21C) to be organized by Regional Institute of Education, Bhubaneswar during February 21-23, 2020.

Following are the code assigned to you. Please quote the code for any communication in the future.

Participant Code : 077

Paper Code : C091

Paper Sub-code : 3.5

Incorporate the following suggestions and upload the revised paper in the online registration platform. The revised paper will be accepted through the online

Technovation-2020

Technovation offers girls around the world the opportunity to learn the necessary skills to become tech entrepreneurs and leaders. Girls who are 10 to 18 years old learn to identify a problem in their community and create a mobile app solution to address that problem and then learn how to communicate these ideas and translate them into a fully launched business. The team of 05 enthusiastic girls of Class IX enrolled with Artificial Intelligence under the mentorship of Ms Asha Menon, PRT (Computer Science) will go through Technovation's intensive 12-Week curriculum supported by Adobe, Noida.

Dr APJ Abdul Kalam State School Dedication Award 2020

The school was selected for the prestigious Dr APJ Abdul Kalam State School Dedication Award 2020 for the services in the field of school education in Delhi/NCR zone. On behalf of the school, Mr Dinesh Bist, TGT (Physical Education) received the award in a glittering ceremony held at Maharaja Agrasen College, University of Delhi, Vasundhara Enclave, Delhi on 26 Jan, 2020.

GSP Climate Change Awards 2019

The school has been selected for the '**Green in a Row**' Award for the GSP Audit 2019-20 and will be felicitated on 06 Feb, 2020 at the Stein Auditorium, India Habitat Centre, Lodhi Road, New Delhi during GSP Climate Change Award Ceremony. This year the number of schools registered with the GSP Audit reached 6622, from all the states and Union Territories. 1706 schools could submit the GSP Audit 2019 on time and only 172 schools could manage to be green this year!

Dear Principal,

Greetings from the Green Schools Programme (GSP)!

We are pleased to announce that your school has been selected for the 'Green in a row' award for the GSP Audit 2019-20. Many congratulations to you and your GSP team!

We are happy to invite you and your students to the GSP Climate Change Awards on Thursday, February 6, 2020, at the Stein Auditorium, India Habitat Centre, [Lodhi Road, New Delhi – 110003](#) from 9.00 AM to 2.00 PM, to receive the trophy. The ceremony is the culmination of CSE's Green Schools Programme Audit (GSP) 2019. Besides the awards, there will be a few exciting activities like quiz, science exhibition and solar kit workshop for the children to engage.

All the six sections of the GSP Audit – Air, Energy, Food, Land, Water, Waste – integrate elements of holistic environment education and link to the most challenging crisis of our time: climate change. The GSP Audit tracks all the critical elements (mobility, energy consumption, food consumption, biodiversity, water usage, sanitation, and solid waste management) that directly or indirectly contribute to global heating, and empowers students to practice sustainable use of natural resources. Alluding to the pledge of working towards combating this crisis, this year's ceremony has been named as the GSP Climate Change Award Ceremony.

This year, the number of schools registered with the GSP Audit reached 6622, from all the states and Union Territories. 1706 schools could submit the GSP Audit 2019 on time and only 172 schools could manage to be green this year!

Thank you for confirming the participation of three students and having you for the event. :-)

Regards,
Srishti
Team GSP

All India Korea-India Friendship Competitions 2019

Arsh Sharma (VI) and **Anjali Kukreti (IX)** were awarded the Certificate of Honour for participating in 2nd Korea-India Friendship Painting Competition 2019 and All India 7th Korea-India Friendship Essay Competition 2019 respectively. The competition was organized by Korean Cultural Centre India and Embassy of the Republic of Korea.

SCHOOL PUBLICATIONS

- The Primary school released its 6th digital edition of Hindi newsletter 'Navankur' on school website.

- The 1st digital edition of the Library newsletter 'CONNECT' was released from the desk of Primary School Librarian.

SCHOOL FUNCTIONS

Communal Harmony Day

Under the aegis of National Foundation for Communal Harmony, an autonomous foundation under the Ministry of Home Affairs, Government of India one of India's leading Public Sector Undertakings, National Fertilizers Corporation, a debate on Communal Harmony was conducted for the students of Classes V & VI in the School auditorium on 23 Nov, 2019. The students rose up admirably to this debate. The event saw budding speakers lucidly giving their arguments on given theme, with great verve and style.

Class XII farewell

Class-XII Farewell Party was organised by Class-XI for the outgoing batch of CI XII on 13 Dec, 2019.

Annual Prize Distribution Ceremony

Bal Bharati Public School, Noida celebrated its 20th Prize Distribution Ceremony on 16 Dec, 2019 with aplomb and fanfare. The Chief Guest for the occasion was Dr Mahesh Sharma, Member of Parliament, G B Nagar. Mr Nikhil Channa, Chairman, SMC and Mr. Suraj Prakash, Secretary, SMC also graced the occasion. Students were awarded trophies and certificates for academic and co-curricular excellence during the session 2018-19.

National Mathematics Day, 2019

With an initiative to pay tribute to the legendary Mathematician, Sir Srinivasa Ramanujan and spread the joy of learning and understanding of Mathematics, the Mathematics Department of the School celebrated special activities for Classes Pre-Primary to XI on 23 Dec, 2019.

Christmas & New Year Celebrations

The precincts of Bal Bharati Public School, Noida came alive with carols and the jingling of bells as the students and staff members of Ashoka House put up a scintillating performance during Christmas and New Year Special Assembly on 24 Dec, 2019.

Career Fair

The much awaited Career Fair and Symposium was organized by the Career Guidance and Counselling Cell in School premises on 26 & 27 Dec, 2019. The aim of the fair was to provide the students with guided support, inspire and to equip them with necessary information to make informed decisions about their careers.

Fashion Show

The Pre Primary Department hosted a spellbinding and mesmerising fashion show on 14 Jan, 2020 in the School auditorium. The theme for the show was 'Let's Paint it Red'. Children dressed in different shades and hues of red, rocked the stage. They looked gorgeous, confident and determined as they walked the ramp with style and boldness. Parents were enthralled and happy to see their kids on stage performing with elan.

FASHION SHOW

Today's show was a great opportunity for the kids to show case their talent and also was a good exposure for them to present themselves in front of the audience ...great work by the teachers and the little ones ... 6

It was so wonderful....U all are incredible....the thing I liked the most was the connection between teacher and pupil....we as a parent feel blessed that our children are so comfortable and treated so lovingly at school....Kudos to all of you 👍

A wonderful event organised, showcasing the sweat, efforts of all the staff memebers....under the wonderful guidance of headmistress maam of Pre Primary wing.... I felt so nice to be a part of the event... A platform for parents to meet, showcase their talents and a platform for the buds of pre primary to come on the stage and give their best.... A big thanks to the school, pre primary wing... Three cheers for the kids... 👍👍👍👍👍

Regarding the show, I wanted to tell you that the show was very well organised. Kudos to all teacher to manage it so well and bring it to life. Thanks for providing the kids such platform where they shed off their inhibitions and come out in open. This is really important for personality development. Regards

9:19 pm

Dear Mam,

Thank you so much to Sarika Mam and all the teachers of Montessori of BBPS Noida for organizing such a lovely Fashion parade. It was a lovely moment as we enjoyed seeing the little fashionable kids walking the ramp with so much glamour and confidence at such an age... All the efforts of the teachers, children actually made the show a wonderful experience for all the audience.

I really wish such activities must happen once which will motivate the little ones and keep boosting their confidence.

Cheers to all teachers. Would really want to mention the Passion of each teacher was also clearly visible which is highly appreciated.

Big thank you again for all the work you people do...

Pleasure was totally ours. Always a good feeling to witness our little one on stage. Thanxxx for giving them such platform and putting in so much effort to make it a success.

It's only because of ur efforts and motivation which helps them to outshine and most importantly help them to listen us 😊 Thanxxx alot

Looking forward for more such stage exposure for the little ones ... 8:52 pm

Mam, Show was really amazing and Hats off to all kids..

It was an awesome experience to watch Kids Fashion show, kids have done it very well, really amazed to see their confidence level. we don't have any comparisons with them.

It was good experience to see our kids at the stage ...it will help our kids to improve in particular section and also we got to know our kids improvement areas.

Fashion show was very well organised. A good opportunity for children to get away with stage fright. Kudos to u ma'am for handling all the students so well.. 🙌🙌🙌

Mam, it was indeed an excellent event.. Thank you for organising and giving such a wonderful platform to our child to learn and grow. Thank you and team BBPS.. 4:54 pm

Grateful to judges for giving such a great honour and appreciation thanks to Sarika ma'am and all the teachers for organising such a wonderful fashion show. I sincerely worked hard to prepare my daughter to achieve the highest award of the show.

Once again I thank school management to give a big platform to participate each and every student. 🙏

6:12 pm

Anandmela / Hunar Bazaar

The much awaited Hunar Bazaar was celebrated with pomp and glory on 18 Jan 2020 amalgamating 21st century skills with main stream education. In keeping up the commitment to 'Make in India' and 'Skilled India' Hunar Bazaar has significantly encouraged and promoted the rich traditional heritage of master artisans by training the students from Classes Pre- Primary to XII with hands on workshops integrating art and craft, scientific, technological expertise, Industrial Chemistry, Home Science, Robotics and Artificial Intelligence. The school wore a festive look and offered games, DJ, delicacies and fun rides.

Republic Day/Subhash Chandra Bose Jayanti & Awareness Programme on 'Beti Bachao, Beti Padhao'.

Ushering into the 71st Republic Day, Raman House hosted the Republic Day celebrations on 24 Jan, 2020 through a spectacular presentation. Highlighting the importance of Citizen Amendment Act, Patriotic Songs, dance and the school band set in a nationalist fervour amongst all.

Under the aegis of State Women's Commission, U.P., an awareness programme on 'Beti Bachao, Beti Padhao' was also organized. Smt Vimla Batham, Hon'ble President, State Women's Commission, U.P. was the Chief Guest. A Video Presentation on PC - PNDT Act 1994, Information on One Stop Centre (OSC), Presentation on Shor Mobile App to monitor cases of Sexual Harassment of women at work places, Talk on the Education of Girl Child, A discussion on Child Sex Ratio and Talk on gender equality were the highlights of the programme.

Safety & Security

Disaster Management, Fire Safety & Security Assessment

With the purpose to inculcate the culture of preparedness and to help in building its capacity in institutionalizing disaster management framework, triple assessment including Disaster Management, Fire Safety and Security was carried out by the team of BNK Crisis and DM Services, New Delhi on 26 November 2019. Brig B.K. Khanna, Senior Specialist (Training and Capacity Development) NDMA and a CBSE approved resource person carried out the Triple Safety Audit. As per the report, most of the gaps have been rectified. The systems are in place to mitigate perceived contingencies, emergencies, accidents and disasters. It is said that the disaster management preparedness is never foolproof and there is always a scope for improvement.

School Transport

- Presently 17 routes of Primary and Senior School and 6 Routes of the Pre Primary Wing are operational, out of which 15 routes operate in and around Noida and 01 each on Indirapuram, Ghaziabad and Delhi stretch. The State and Supreme Court guidelines are strictly adhered to.
- All drivers of the school owned buses have undergone Physical fitness cum Eye check up and the reports have been found to be satisfactory.

- The Transport Safety Checklist as per the State/CBSE guidelines is strictly adhered by the Transport I/C.

The School in association with KleverMind is tracking services of the School transport. Parents of all the bus users have been given login credentials for regular tracking of their ward's bus and they receive the SMS regarding the following :

- Real time tracking of the bus
- Notifications of trip start and end
- Notifications of attendance at the time of arrival and departure
- Stop Notifications
- Delay and Breakdown Notifications

- Details of 41 Vans which ferry Pre Primary / Primary School students to and fro school have been forwarded to State Road Transport Office, Dist G B Nagar, dated 13 Nov, 2019.

Finance

The Financial health of the school is satisfactory. There are no fee dues towards session 2019-20 (1st Quarter) to be recovered from parents. 03 defaulters of Quarter-2 and 27 defaulters for Quarter-3 have been notified to submit the pending dues latest by 31 Jan, 2020.

Measures For Improvement

Works. Following job works have been carried out during the period under report:

1. Work Completed

- Lawn Tennis Court Renovation work has been completed
- The Façade Work on the 3 side walls of Badminton Court has been completed
- Brick Bat Coba work on the terrace of Admin Block has been completed.
- The fabrication of Fire Hydrant boxes and installation work has been completed.

Work in Progress

- Renovation of Primary School Computer Lab is in progress.
- Brick Bat Coba work on terrace of Mont Block is in progress.
- Façade work facing the school play ground side is under progress.
- Safety Gate near DG is under progress.
- Swimming Pool repair and maintenance of Tiles is under progress.

PRIMARY COMPUTER LAB

TERRACE OF MONT BLOCK

FAÇADE WORK

Work to be initiated

- Renovation of AI Lab.
- Renovation of Primary and Senior School Libraries.
- Installation of solar Panel.
- Opening of Gate No.3 facing Jalvayu Vihar.
- Safety grill on 2nd & 3rd floor and Corridor.

- PTA Meeting.

The PTA Body of the school interacts on a regular basis and their suggestions are received by the school from time to time. Through PTA Funds, genuine and needy parents are given assistance to pay the pending school dues.

- Meeting with Staff

Weekly Faculty Meetings with Class Representatives, House Wardens, Head of the Departments, Staff Meetings (on monthly basis) and Coordination Committee Meetings are being held on a regular basis. The records of all the meetings are minuted in the proper Minutes Register as well as released on the teacher portal for reading purposes. The minutes of the above meetings are made available on the school website.

- I would like to put on record my deep sense of appreciation for the staff who works selflessly and ensure that the school graph is on the rise. The constant guidance from the members of the Managing Committee plays a major role.
- I would also like to express my heartfelt gratitude to the President, CES, Chairman, SMC and Secretary, SMC and all erudite members of the Managing Committee for their unstinting support as we travel the path of excellence which though full of challenges is very fulfilling.
- I offer my sincere thanks for sparing your valuable time to attend the meeting this afternoon.

thank you
