Celebrating the 150<sup>th</sup> Birth Anniversary of Mahatma Gandhi, students of Bal Bharati Public School, Noida from the Humanities Stream of classes XI and XII, volunteers from the Interact Club and the students' council members participated in the **FIT INDIA PLOGGING** Event held on 2<sup>nd</sup> October 2019. Around 100 enthusiastic students and teachers initiated the movement and '**PLOGGED**' for 2 km around the Noida Stadium.

Living the dream of '**SWACHCH INDIA**' students gathered and collected plastic waste on their way. The walk began from the school and the young brigade marched confidently with a dream of cleaning their neighbourhood off Plastic waste. Meaningful placards were carried by the students during the March. The '**Clean-Run-Clean**' slogan reverberated in the air. It was noticed that students had no inhibitions in cleaning the waste, proving that they will be the true future citizens of "**Swachh Bharat**". The exercise was an excellent initiative by the Govt. of India to initiate '**Gen Next**' into a much desired social exercise .
