

**ACADEMIC SCHEDULE FOR CLASSES XI & XII**  
**FROM 01 JUNE, 2020 TO 15 JUNE, 2020**

Dear parents,

The school believes that it is important for the teachers and students to remain connected in these dystopian times, however due to the incessant requests of the students, the school will now observe summer break for students of Classes PS to Class XII from 16 June to 30 June, 2020, as such the Examination Schedule for Round 1 Assessment has been revised.

All assessments will be conducted between 01 June and 15 June, 2020 with required remedial and Mock Tests. We realise our responsibility towards the students and also acknowledge that they are appearing for Online Round Tests for the very first time therefore the school proposes to give enough practice to all the children.

No new teaching will be taken up during this period and for this, the examination schedule has been interspersed with building of 21st century skills and English communication along with a little bit of fun and frolic (Recreational Activity).

**PLEASE FIND BELOW THE SCHEDULE FOR THE PERIOD 01 JUNE, 2020 TO 15 JUNE, 2020 FOR CLS XI & XII.**
