

VIRTUAL GLOBAL COLLABORATION

(28 October 2020)

Alone We Can Do So Little; Together We Can Do So Much”

- Hellen Keller

With the motive of providing enriching experience of international platforms to our students, Bal Bharati Public School, Noida collaborated with **Gems Millennium School, Sharjah** and shared words on the topic-
“The Visionaries of our nations.”

Ten students each from both the schools participated in the collaboration and learnt about the great leaders- Mahatma Gandhi(India) and Sheikh Zayed bin Sultan Al Nahyan(UAE). The stories of their great actions were proudly narrated by the students of Classes 4&5. The live event was witnessed by the students of both the schools.

The collaboration was hosted by Gems Millennium School, Sharjah. The participating students spoke beautifully about various aspects they had chosen to honour the father of their nations. Various slides supporting their presentation were displayed in the background which made the presentation lively and gripping.

At the end of the presentation, the students were asked a series of questions by the principal of Gems Millennium School. All the students participated enthusiastically and learnt about the similarities of selflessness and gratitude between the leaders as reported by Ms. Rashmi (PRT Eng.).
