## Workshop/Seminar Feedback Form

**Workshop/Seminar title:** Career Counselling

**Workshop/Seminar Date:** 9.8.2019

**Venue:** Auditorium, B.B.P.S. Noida

**Attended by:** Students of class XII A, B, C & D

**Resource Persons:** Mr. Krishanu B. Singh, Senior Manager, KREA University

### 1 . Content of the Workshop/Seminar-

The aim of the career counseling session was to make the students aware about Liberal Arts as a career option after class XII, with the emphasis on how it is offered at KREA University. He emphasized that Krea University's core values were **ethics, excellence,**

**inclusivity** and **accountability**. Every decision and action by the students of the university should be , without exception, be ethical and transparent, strive towards extraordinary standards of excellence, celebrate diversity and inclusivity, and represent the most efficient and accountable use of scarce resources.

He explained the students that KREA university's programmes are designed to address the unprecedented challenges and opportunities of the 21st century. It weaves together the arts and sciences, creativity and action, eastern and western perspectives.

KREA university has an illustrious board of founder members such as Raghuram Rajan, Former Governor RBI, Kiran M. Shaw, Biocon, Anand Mahindra, Mahindra Group to name a few as advisors and members. The academic council comprises of scholars, researchers and academicians from renowned universities across the globe. Hence providing a global perspective to the various courses being offered. He informed the audience that KREA University offers B.A. (Hons.) and B.Sc. (Hons.) they also run a Business school that offers master degree to students. He emphasized that academics at Krea will engage every students in multi-directional refinement of knowledge and wisdom through interwoven learning, right from the intensive and eclectic first year experience to rigorous capstone thesis in the third and final year. Every major at KREA will be **writing intensive, interdisciplinary, and research based;** focus on **ethics** and the **historicity** of different ideas, concepts, and practices; provide **immersive** experiences; develop awareness of **data analytics** and the impact of rapidly evolving technologies on disciplines and communities; and **raise**

**questions** about different domains of knowledge and their relationship to the world in which we live.

About the admissions he informed the students that the two-stage admissions process is rigorous and aims to understand every aspect of the applicant's profile. It goes beyond their scholastic abilities to look for fundamental qualities that form the basis of education outcomes for the University. A financial-aid programme is in place to support high potential applicants from challenging

socio-economic backgrounds. Stage 2 comprises of immersion days. The purpose of the Immersion Day is to assess those qualities in an applicant that shine through in an interactive, hands-on and real-world setting.
