*"A leader is one who knows the way, goes the way, and shows the way."*

*-John C. Maxwell*

The Investiture Ceremony for the Supreme and Student's Council (Senior wing), for the Academic Session 2019-20 was held on 18th July, 2019. The grand event was graced by the presence of esteemed Chief Guest Ms. Kavita A. Sharma, President, South Asian University. The audience comprised of the very proud parents and the students from class XI and XII. The ceremony was held in the aesthetically renovated school Auditorium.

The occasion started off with the wonderful display of the school band followed by the auspicious lighting of the lamp by the Principal, Ms. Asha Prabhakar, and the revered Chief Guest for the day.

It was followed by an address by the illustrious President of the Student's Council, Gaurav Choudhary.

The Supreme Council was inducted with their respective posts, a moment of veritable honour for our youthful leaders.

The Principal and the chief guest extended the beautiful gesture of congratulating each and every member for their coveted posts and encouraging them to take up their responsibilities diligently. The induction of the Supreme Council was followed by an interlude of mellifluous symphonies by the School Choir. Their performance combined powerful prose with the poetry of music, and left everyone spellbound.

Followed by the fantastic musical sojourn, it was time for the introduction of the Student's Council. After the worthy trailblazers had been presented with their posts, the proficient Head Boy, Parth Jaiswal lead the new Council into taking the Oath.

The joyous occasion was wrapped up with a beautiful dance performance, called "Prakrati Pratishod." The interpretive dance conveyed the agony of Mother Nature and the exploitation she suffers at the hands of the never-ending greed of Mankind.

The presentation was a striking blend of impressive lighting juxtaposed with the fluid elegance of the dancers.

The ceremony was an exquisite showcase of the potential and excellence which our school harbors and nurtures in the form of our students.
