Indian Association of Physics Teachers (IAPT), a national level voluntary organization of the Physics Teachers, has been instrumental since many years in planning and hosting a number of events and programs with the objective of raising the bar of Physics teaching across schools and colleges.

To make provisions for hands-on-experiments in Physics Curriculum and to encourage Physics Teachers to conceive and set up original innovative experiments in Physics, IAPT - RC1 (Delhi and Haryana) organized a Competition on Innovative Experiments in Physics on 17th August, 2019 during the Annual Convention at Delhi at N.C. Jindal Public School, Punjabi Bagh, New Delhi.

Ms Swati Chawla, PGT Physics at BBPS Noida bagged the first prize for her experiment: Determination of Horizontal component of earth's magnetic field (H) and magnetic moment of magnet (M) by modified equations.

She was awarded a trophy and a cash prize of Rs 3000/- and will be presenting the experiment at National Annual convention of IAPT (NCIEP 2019) to be held in October at Allahabad

We wish her success for all her future endeavors.

GLIMPSES FROM THE WORKSHOP

Awarded with Certificate of Merit, Trophy & cash prize of Rs. 3000/-
