Workshop Feedback Form

Workshop Title: CAPACITY BUILDING PROGRAMME ON **TRAINING OF EVALUATORS**

Workshop Date: 28th September, 2018

Venue: LOTUS VALLEY INTERNATIONAL SCHOOL, NOIDA, GBN, UP

Attended by: Ms. Amita Ganjoo(HM Sr) ,Vibha Jain (PGT Chemistry)

Resource People: Dr.Pragya M.Singh

Profile of the Resource Person: Joint Secretary, Centre of Excellence Dehradun

1. Content of the Workshop

- ❖ The workshop was organized by CBSE-COE to brief about the examination system and the evaluation process for the CBSE governed schools so as to make the process of evaluation error free.
- ❖ The resource person demonstrated the process of conducting the examination through PPT.This included the guidelines for Centre Superintendent and invigilators during the examination.
- ❖ Several apps have been introduced by the CBSE like **ECL Exam Centre locator**-to facilitate the students to locate their centre on map, **OCEMS Online Exam Centre Management System**-for the centre superintendent, **E-Theory**-IT initiative to be used by Head Examiners
- ❖ It was informed that during the session 2018-19 the examination for vocational subjects will be held in the month of February.
- ❖ For CBSE evaluation work HEs were asked to follow the model provided by the board in totality. The entire mechanism was discussed with all HEs during 2018 evaluation work. There were some hiccups due to which this process could not be implemented properly, at all the centers, be it scarcity of evaluators or shortage of time or any other reason. All teachers were asked to adhere to the mechanism strictly by the resource person.
- ❖ The important point cleared by the resource person was that the evaluators are supposed to check the answer script and the posting of the marks would be done by coordinators under the supervision of AHE Coordinator.
- ❖ Some answer scripts with errors in evaluation were also shown which indicated the sheer negligence on the part of evaluators/ coordinators.

Activity- In the second half of the session, mock evaluation was carried out using the prescribed modality. Subject teachers for the particular subject were made to sit together and amongst them one was appointed HE and two or three AHEs. The entire process was followed, starting with the discussion of question paper followed by mock evaluation. Several variations were observed. To the surprise of everyone, in some cases major flaws were observed. Everyone was instructed to eliminate such errors in the interest of the students.

2. Most interesting or useful topics or aspects of the workshop that can be applied to the classroom teaching

The workshop was related to the techniques used in evaluation process for CBSE board Examination. So there was no topic which can be implemented to the class room teaching.

3. How will you implement the knowledge & techniques acquired to your subject?

NA

4. Comments and suggestions (How do you think the workshop/Seminar could have been made more effective?)

The topic of workshop was covered properly in stipulated time. The teachers who already worked as HEs and AHEs know the guidelines given by CBSE for 2018 examinations. Now the point is to apply the recommendation seriously and wisely to eliminate the scope of error at any level.

1. Was the advance briefing about the workshop appropriate?

Yes.

GENERAL FEEDBACK	YES	NO	NOT SURE
• The workshop was applicable to my job	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
• I will recommend this workshop for other faculty members.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
• The program was well paced within the allotted time	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
• The material was presented in an organized manner	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
• The resource person was a good communicator	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
• The resource person was knowledgeable on the topic	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
• I would be interested in attending a follow-up, more advanced workshop on this same subject	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
• I will be able to conduct follow up workshop for the benefit of fellow Staff Members	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
